Dear Dr. Dagatan:

Warm greetings from the International Youth Fellowship!

The International Youth Fellowship (IYF) is a global non-profit organization committed to building a vibrant and happy future for the youth. IYF has been leading the way in changing the minds of youth around the world through various international events and programs. We present essential programs and faith-forming activities that provide children the nurture and involvement to a loving and serving relationship with Jesus.

Despite the restrictions and distress that we are currently experiencing due to the COVID-19 pandemic, it could not stop IYF from fulfilling our mission for youth development. On **April 26th-28th**, we will be conducting the **2021 Online Summer Kids Camp** through **Zoom Meeting (ID: 248-959-4193), Facebook and YouTube Live on Good News Kids PH** for children nationwide under 13 years old. Through various programs such as academies, storytelling, special performances, and mind lectures; the children can develop a faith that is deep and wide and support their families as they nurture their faith at home.

In line with this, as the government agency that serves as the voice and advocate of the Filipino youth, **we would like to request from your kind office an endorsement of the program and assistance for wider dissemination of the same.** We have attached pertinent documents for your reference.

For more details, Ms. Rosemarie Ligalig – Visayas Event Coordinators, will be very willing to assist you through these contact numbers respectively: 0949 345 7028, 0917 952 8135.

We are looking forward for your kind support to make this program successful.

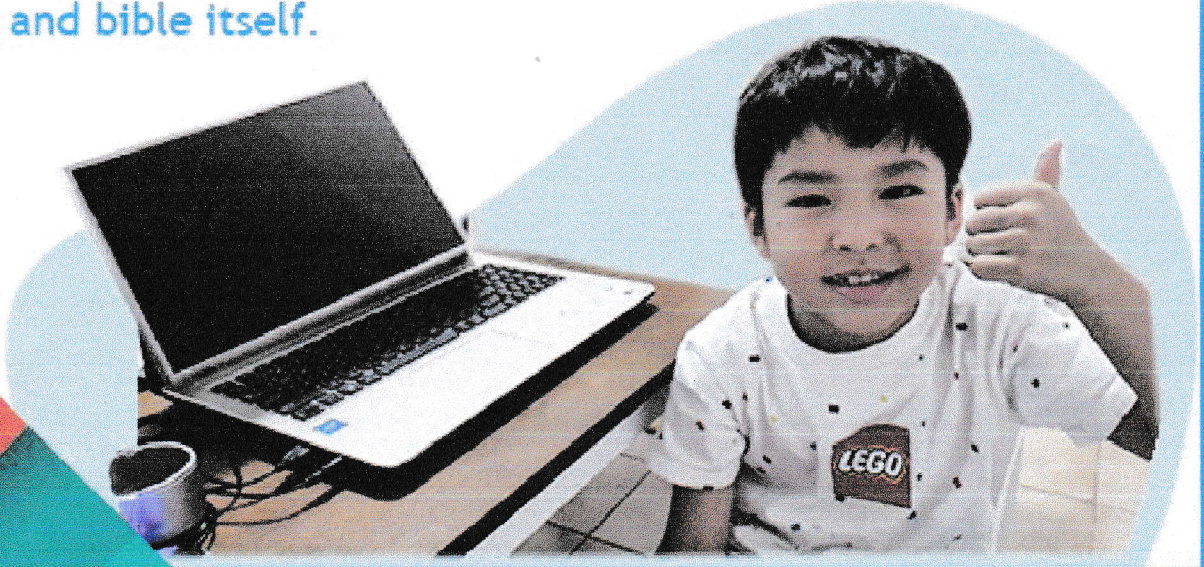
"Spreading happiness and hope to all kids around the globe!" – 2021 Online Kids Camp

Recently, thousands of kids have come together to experience the 2021 Online World Kids Camp held simultaneously around the globe. In the Philippines, the Virtual Kids Camp was held in February 1-3, 2021 with hundreds of participants who were filled with joy and aspiration.

The most important feature of the camp, were the series of mind lecture that was made fun and more engaging throughout the camp. The gratifying and prevailing mind lectures from the different keynote speakers emphasized the redemption and faith towards achieving the true hope and happiness starting even from the early stages of their lives.

Moreover, part of the activities of the Camp were world-class performances and also academy which were composed different classes like cooking, arts and many more. Mind recreation that was set for them to truly learn about their characteristics and be more familiar with the different problems that can arise such as the isolation and teaching how to have self-control and breaks in hearts even from a young age. Amusing games such as the amazing race that captivated the energy trapped inside of them and also tested their knowledge and know-abouts of many things. Additionally, we also had story telling that delighted the participants and gave them a blissful time. Lastly, the Bible class that gave them deeper understanding and realizations in relation to the word of God and bible itself.



The camp was successfully done leaving everybody's heart peaceful and thankful. Helping the children develop their needs of spiritual life, their eminence, security, and strength will lead them to the love of Jesus Christ. This is beyond the simple knowledge of the world and this will enable them to rest confidently in their identity in Christ.

The International Youth Fellowship (IYF) throughout the years has been nurturing and planting hope in the hearts of countless young people all over the world, including little ones and will never get tired to organize such events, for we believe that it is one step forward towards a brighter nation full of youth with a global mindset having a heart of Jesus.
