**SUBJECT: CORNERSTONE READING TUTORIAL & VALUES FORMATION VOLUNTEERS TRAINING**

1. The reading ability of a big percentage of our student population in the Philippines continues to be a serious concern. Statistics report that the number of non-readers in schools as well as the performance of students in the National Achievement Test are quite depressing. The need for elementary schools to classify the children as first readers, second readers and third readers or as children with difficulties in reading, word readers and phrase readers is an indication that there is a problem.
2. It is for this reason that the CFC Cornerstone Reading Tutorial and Values Formation Program was developed. It aims to reach out to slow readers in elementary children in public schools through Reading Tutorials and Values Formation.
3. **A Reading Tutorial & Values Formation Volunteers Training** to be attended by all School Moderators and one Volunteer preferably active Singles for Christ (SFC) of the above schools implementing the Cornerstone Program. The training will be conducted on Saturday, August 3, 2019 from 8:30am-4:00pm at BPSTEMPC Building, Tamblot Street, Tagbilaran City.
4. Cornerstone School Moderators are instructed to scout the Singles for Christ Volunteer (one per school) who can facilitate during the re-echo training to be conducted in their respective schools.
5. Meal and snacks shall be provided by Couples for Christ-Bohol ANCOP (Answering the Cry of the Poor) Funds while travel expenses incurred in attending this activity for DepEd employees shall be charged to School MOOE and other Funds subject to the usual accounting and auditing rules of the COA.

6. Your usual cooperation in this worthwhile partnership is hereby appreciated.
