Subject : RE-ORIENTATION OF Dep-Ed FINANCIAL MANAGEMENT OPERATIONS MANUAL (FMOM)

1. One important component of institutional reform in government is financial accountability. This requires establishing standards that promote transparency, strategy and efficiency. In achieving these reforms, it is timely that the financial workforce of this Division will revisit and re-assessed the use of the Financial Management Operations Manual (FMOM) issued under DepEd Order No. 60, s. 2016, titled "Implementation of the Financial Management Operations Manual and Orientation of DepEd Financial Management Staff at the Division and School Levels". This FMOM serves as a reference material for Officials, Employees and other interested public and private stakeholders of the DepEd. This is a big leap towards eventual integration and automation of government financial systems.
