Dear **Dr. Dagatan**,

We would like to inform you that we are organizing an event with MOA signing between the DepEd Division of Bohol Province and Vivant Foundation, Inc. for the solar electrification of 6 off grid schools in Bohol on **March 20, 2020** to be held at **Juanito Cambangay Conference Room, Provincial Capitol Building, New Capitol Site, Lino Chatto Drive, Cogon District, Tagbilaran City, Bohol** from **11:00 to 12:00 noon**.

RELY aims to promote use of renewable energy to improve lives and foster climate change mitigation in poor and remote communities in the Central Visayas and Southern Tagalog (MIMAROPA) Regions of the Philippines by energizing their off-grid public schools. The approach combines solar electrification with community development and improved vocational education by partnering with senior high schools.

The event will present future activities and current accomplishments to Philippine Government representatives and other stakeholders aside from the MOA signing.

With this objective in mind, we would like to formally request your presence in this event as the signatory for DepEd Division of Bohol Province and ask you **to give a message** on how Project RELY can help the Department of Education fulfil its goal to improve the quality of public education for K-12 levels in the Philippines during the event.

Furthermore, we would highly appreciate if you could request the school principals and their respective district supervisors of Hingotanan NHS, Hingotanan ES, Malingin ES, Guindacpan ES, Bilangbilangan Daku ES, Cataban Integrated School, to be present one (1) hour before the event so that we could discuss to them the content of the MOA since they are signing as witnesses as well.

Project RELY is one of the seven awardees of the EU-Access to Sustainable Energy Programme (ASEP) Call for Proposals. ASEP is a joint project of the Department of Energy and the European Union that aims to assist the Government of the Philippines in expanding its sustainable energy generation to meet the growing needs of its economy, and provide energy access to the poor and marginalized groups.

It is our great pleasure to welcome you and your team to the event. Kindly confirm your participation to **Mr. Benjamin Chiu** at **project.rely@vivant.com.ph** via email or **09178212193**.

We look forward to seeing you on March 23, 2020.

Kind regards,

[Signature of Sabine Schacknat]
