Monday!

Camp Mo is our **free** online summer camp. Weeklong camps will be both educational and fun-touching themes such as backyard conservation, theater, and STEM challenges. Combining online instruction with offline activities, campers will login to their Camp and get daily activities, challenges, and tasks. They will be able to safely connect and collaborate with students like themselves from around the world, always monitored by professional camp counselors. To make Camp Mo accessible to as many students as possible, activities can be accessed anytime during the day, whenever they have access to a connected device.

If you have students aged 9-15 who may be interested in our free camps please share with them the link edmodosummercamp.com to help them register.

Thanks for everything you do.
