Dear Sir:

We are a non-profit foundation based in Surprise, Arizona, US. We've a supporter of Policronio S.Dano, Sr. High School in Nueva Fuerza, Carmen since it opened in 2000. In the past three years, we asked the school to support our Ring for Peace Initiative and thankfully, they honored our request. Their participation have been voluntary since it is not school-sanctioned event. Attached is our flyer that describes the event.

In this regard, we would like to request that you consider making the event a voluntary event for schools under your region. Maybe perhaps in the future, this can be nation wide and that certainly is our target in the near future. As indicated, participation is strictly voluntary, so there are no requirements to be imposed to the students and besides it only pertains to cellphone owners. The key to the event is that all participants wish for World Peace to prevail simultaneously on September 21, World Peace Day. We have been promoting our initiative through the internet and we made contacts with friends all over the world.

We hope that you consider our request and we look forward to hearing from you through Dr. Renato Calamba or via our email address below.

Respectfully,

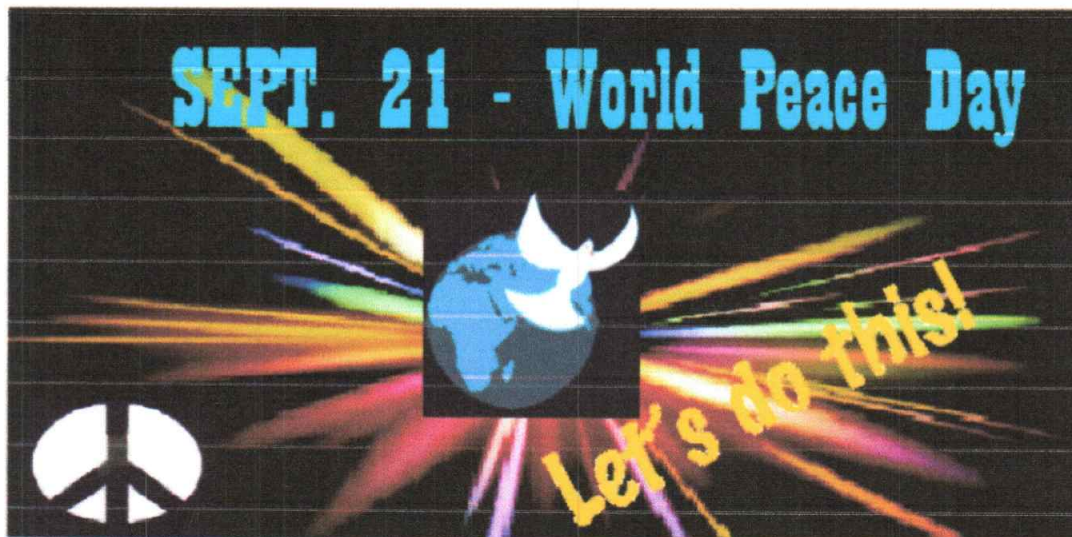

Rol Dano

*Interposing no objection,
however, it is too early
to disseminate this. Maybe
in August 20 20 so that
it will be one month prior
to the Sept. 21, WPD.
Dr. Calamba can facilitate
this.

Ring for Peace Initiative

On this day, let's meditate for world peace at the same time.
Just pause for a few seconds and wish for world peace.
Imagine, millions of people all over the world simultaneously
wishing that peace will prevail on earth.

That's awesome!

How can we do this? A no-brainer, just do this: set your cellphones to ring/alarm at 12 noon GMT (Greenwich Mean Time). Outside the GMT, times will be different depending on where you're located in the world time zone, but all will be on the same day. For example, at 12 noon GMT in California, it will be 5am PDT; New York will be 8am EDT; in London, 12 noon; in the Philippines, 8pm. If you're not sure about your time, Google "World Time Zones" or let us know on this page or email us. Please pass the word to all your friends and acquaintances about our Ring for Peace Initiative.
