SUBJECT: **CELEBRATION OF THE INTERNATIONAL COASTAL CLEAN-UP (ICC) DAY 2020.**

Under the Presidential Proclamation No. 470 issued in 2003 declares the third Saturday of September each year as the International Coastal Clean-up in the Philippines. This year's ICC will be celebrated on 19 September 2020 with the Theme: **"Safe Oceans Start at Home"**

However, taking into account the operational limitations due to the government's response to the COVID-19 pandemic, we do not involve mass gatherings to minimize exposure to COVID-19 risk. As such, we will be using social media platforms which are the appropriate alternative option in promoting public awareness. It is our overall campaign to reduce short term use materials that would eventually turn into litter in the ocean, hence, it is recommended to use sustainable alternatives in place of plastics in the production of IEC materials.

In view of this, we would like to request your good office to promote and participate in the Clean-up within the household vicinity along shoreline or any bodies of water. For us to recognize and document your efforts, kindly fill-up the clean-up form at <http://donmagie/DHHC/EAFC/MWp/LBA>. Should you have queries regarding the form, kindly contact DENR PENRO Bohol at 416-0147 and look for Jerome Pahang.

Anticipating your usual support and active participation.

Very truly yours,
