1. Mental health problems are an extremely important issue worldwide due to their impact on the human rights and quality of life of those affected and their families. (WHO).
2. In a study conducted in a Capstone Project at the Development Academy of the Philippines (DAP), one of the causes of emotional and psychological problems met among DepEd teachers and administrators is with regard to slow promotion process. Some of the respondents in the study revealed that they are not aware on the needed documents to support their activities worthy to be part of the considerations in the promotion processes.
3. **Project MaRENS (Mentoring and Rendering Empathetic Services)**, an operations manual, has been conceptualized, to provide appropriate documents that will serve as guide among teachers, and other non-teaching personnel in SDO Bohol of the pursuit of professional and personal growth.
4. Attached herewith is the list of the members of the Technical Working Group that will lead in the preparation and development of the proposed operations manual. A virtual conference will be held on Thursday, November 26, 2020 at 1:00 o'clock in the afternoon. Link will be posted at the newly created group chat in this regard.
5. Immediate dissemination is expected.
