Dear **DR. DAGATAN**,

Greetings of Peace!

The Women's Federation for World Peace - Philippines and the Universal Peace Federation cordially invite you to participate in the **"One Million Rally of Hope Philippines on February 6, 2021 at 3:00 PM- 5:00 PM** (Manila Time). This online event which is a call for peace and solidarity during these dire times will be shown both in the television and livestreamed in PTV4.

This virtual event with the theme, **"One Million People Praying for the Healing of the Nation and the World"**, will gather millions of Filipinos and citizens from around the world online in an interfaith gathering to collectively pray for the healing of the world from the COVID-19 pandemic, raise awareness for the healing of Mother Earth and address climate change issues and for the healing of humanity from divisions to bring about a world of lasting peace for the sake of the future.

UPF has initiated these online Rally of Hope events last year and since then had created global impact with the goal of bringing solidarity and resolving conflict and reconciling the divided human family based on the core principles of interdependence, mutual prosperity and universal values.

Through this Rally of Hope, we will be creating a global platform for to amplify our collective voices to stimulate a tremendous sense of urgency to unite as one global community most especially during this time of crisis. This will tremendously benefit the Filipino people by empowering and giving them hope during these trying times faced by the world today. All speakers will explore the opportunities for peace, building on the common ground we all share as one human family and promoting greater solidarity among all people. Famous celebrities and performers will also be taking part in this online event.

One of the highlights of the event is an online donation campaign to sustain the programs to provide much needed help for the typhoon-affected communities in the Philippines to be able to rise up again. There will also be a promotion of the "Billion Trees Project" which will support the efforts of the local government units in the call for planting and growing of trees.

Please support this endeavor by registering in the link for the Rally of Hope Philippines on February 6 and invite others as well: www.rallyofhope-asia.org
