RESEARCH TECHNICAL WORKING TEAMS SELECTION

TO: Asst. Schools Division Superintendents,
Chiefs- CID and SGOD,
Education Program Supervisors,
Public Schools District Supervisors/Acting PSDS,
All Others Concerned

1. As we embarked to a more aggressive research strategies this year and strengthen capacities of research management, we are calling all Public Schools District Supervisors to recommend two (2) personnel, could be a teacher but preferably school head (1 elementary and 1 secondary) to be selected as member of the SDO Research Technical Working Teams.
2. This is to reinforce technical people in the field to give support and assistance on research endeavors/studies as well as to assist SDO TWG in the implementation of the programs, activities, and projects lined-up for this year. The following are the minimum considerations:
 - computer/digital literate
 - only 1 or no coordinatorship handled/fewer or no ancillary assignment
 - research enthusiast
3. PSDSs are required to access link, <https://tinyurl.com/SDOResearchTWT21> and fill out the form for the names of the recommended personnel. The link will be closed on February 6, 2021.
