BIANITO A. DAGATAN Ed. D. CESO V
Bohol Schools Division Superintendent
Tagbilaran City

Dear Dr. Dagatan,

We would like to inform you that **1034** personnel from your Agency who were enrolled in the GSIS membership database and were accordingly issued Business Partner (BP) Numbers, have not yet enrolled in the UMID Card facility.

While these members are entitled to receive a package of social security benefits, such as retirement, life insurance, separation, unemployment, disability, employees' compensation, funeral, and survivorship, they cannot be issued with the UMID cards which would allow them to avail of loan privileges and inquire about their membership data through the GSIS Wireless Automated Processing System (GWAPS) kiosks.

In this regard, we would like to request your assistance to advise the GSIS members (names are in the attached list) to enroll in the GSIS UMID card.

To enroll, they may visit the nearest GSIS office and bring the **accomplished enrolment form (attached)** and two valid government-issued identification cards which may include the following: office ID, Land Transportation Office (LTO) license, Professional Regulation Commission (PRC) license, passport, and voter's registration ID.

Thank you for your assistance and support.

Very truly yours,

EDNA D. ELICOT

The Cardholder is not authorized to enter into transactions using the eCard to a value in excess of the credit balance of the account. If GSIS servicing bank is asked to authorize a transaction, GSIS servicing bank may take into consideration any other transactions which have been authorized but which have not been debited to the account (and any other transactional activities upon the account) and if GSIS servicing bank determines that there are or will be insufficient available funds in the account to pay the amount that would be due in respect of such transaction, GSIS servicing bank may in its own absolute discretion refuse to authorize such transaction, in which event such transaction will not be debited to the account.
 - GSIS servicing bank shall not be liable for any loss or courses of action resulting from any such refusal to authorize any transaction. GSIS servicing bank shall not be liable for any loss resulting from the refusal of any retailer, supplier, other bank or card-operated machine to accept use of the eCard in connection with any transaction.
