Division Memorandum
No. 310 series of 2021

For: Public Schools District Supervisors/Acting Public Schools District Supervisors
School Administrators
Health and Nutrition Personnel
Clinic in Charge
All others concerned

Subject: **SCHOOL DISTRIBUTION AND RETRIEVAL OF THE NEW-NORMAL HEALTH ASSESSMENT FORM FOR LEARNERS**

- I. Health Assessment plays a vital role in evaluating and determining a learner's health status. This will identify the specific needs of the person and how those needs will be addressed.
- II. In line with this and in lieu of physical examination, each school is advised to adopt the **New Normal Health Assessment Form for Learners**. This will help detect the early signs of certain health conditions and address the accordingly. Likewise, this will aid in the profiling of the learners and serve as basis for future stakeholders' support.
- III. With this, the New Normal Health Assessment Forms shall be distributed by the Division Health and Nutrition Personnel to the schools of the different districts.
- IV. Attached herein is a copy of the New Normal Health Assessment Form for Learners.
- V. For information, dissemination, and support.
