DR. BIANITO A. DAGATAN, CESO V
Schools Division Superintendent
Department of Education Bohol Division
Tagbilaran City

Dear Dr. Dagatan:

This is relative to your letter dated June 30, 2021 addressed to the honorable Gov. Arthur C. Yap requesting permission for the conduct of **Division Contextualization of the SBM Tool and Means of Verification** on July 15-16, 2021 with 36 pax, **Division Orientation on the National Adoption and Implementation of the Philippine Professional Standards for Supervisors** on July 29-30, 2021, and **Division Orientation on the National Adoption and Implementation of the Philippine Professional Standards for School Heads** on August 5-6, 2021 with 25 pax, all at Reyna's the Haven and Gardens in Tagbilaran City, as an exemption to the Memorandum 336 s of 2020 directing the suspension of government activities that will tend to congregate people. The said Memorandum, aside from the various issuances from the Inter-Agency Task Force and the local government units, are crafted to ensure the utmost protection and prevention for our populace against the threat of this global pandemic.

On your requests, I would like to point out to you Section 5 of the abovementioned Omnibus Guidelines, that *"Mass gatherings such as but not limited to, movie screenings, concerts, sporting events, and other entertainment activities, religious services, and work conferences shall be allowed provided that participants shall be limited to fifty percent (50%) of the seating or venue capacity."*

Despite the approval from our end, your administration is requested to ensure strict compliance of the 50% seating capacity of the venue. **But with the current surge we are experiencing now, you are requested to limit attendees to less than 50 pax.** Moreover, please be reminded to follow compliance of minimum public health standards set by DOH and Bohol IATF Medical TG such as mandatory wearing of face mask and face shield at all times; observance of physical distancing of seats and participants at least 2 meters apart; availability of foot bath at the entrance of the venue and alcohol handwash in a designated area; checking of body temperature at the entrance of the venue and prohibiting the attendance of symptomatic participants; registering of names with contact numbers of all participants for the remote possibility of contact tracing; limiting number of participants to a maximum 50% of the venue's seating capacity; coordination with the Rural Health Unit of the venue for monitoring purposes on the compliance to health protocols; and submission of **photos/documentation to check compliance of the abovementioned protocols is also required.**

Let us continue to remain safe and healthy in this new normal and continue supporting our leaders in our battle against this global pandemic.

Thank you.

Very truly yours,
