Greetings from Microsoft!

This is Kristian Catahan, from Microsoft Philippines. I handle support and programs for all the regions of the Philippines. I write to you in hopes to conduct region-wide orientations for all the school ICT coordinators and teachers. This is to let them know of the strengthened support that our company will provide the region. We have proposals to automate the distribution of Microsoft accounts to all the learners, and we have several helpful resources that we want to provide each of the schools to help them learn how to use their accounts effectively. That said, we are hoping to schedule the talks sometime within the week of July 26 – 30. We'll only need 1 session that will span for 2 hours to cover everything they need to know. We will also be providing important instructions that they can follow moving forward.

We hope that this fits the schedules of the school. Rest assured, that this is done in hopes to communicate the good things they can expect from Microsoft Philippines in the weeks and months to come.

Thank you!
