Re: Visayas Economic Conference 2021 (Essay Writing Contest)

Dear Dr. Jimenez:

Carolinian Greetings!

The University of San Carlos in cooperation with Philippine Economic Society (PES), University of Philippine Visayas, and Visayas State University, will host the Visayas Economic Conference to be held via Zoom on August 20, 2021. The theme for this year's conference is "Engendering, Encouraging Economics Education and Knowledge for Nation Building (4EKON)".

The conference will highlight the importance of economics as a crucial component of educating the youth and demonstrate its significance in decision and policy making. It will bring together researchers, members of the academe, representatives of national and local governments, and students to discuss the value of integrating economics in educating young people. In line with this, the University of San Carlos will be organizing a high school essay competition in Central Visayas.

As a significant stakeholder in the promotion of economics education for nation building, we humbly request for your endorsement of this activity to all junior and senior high schools in Central Visayas. We would like to invite students from those schools (including those who have recently graduated this AY 2020-2021) to submit their essay. We have attached the essay guidelines for your reference.

If you have any more queries regarding the contest, please direct your questions and clarifications to Prof. Francisco M. Largo at fm1argo@usc.edu.ph. We will appreciate receiving your reply to this invitation.

We thank you in advance for your time and support. We look forward to your participation. For the organizing committee, I remain.

Sincerely,

FRANCISCO M. LARGO, MA
