Dear Dr. Dagatan:

We are from the **Communication Arts Training Center**, a Cebu-based training group that aims to educate the young and old — meeting their learning needs in an interactive way and creating within them a passion for non-stop learning.

Communication Arts Training Center has an extensive pool of speakers who are experts in the field of communication, education, journalism, business, arts, tourism, personality development, media, etc..

We have trained over 50,000 diverse individuals. They are government employees, administrators, teachers, skilled workers and employees from private organizations in Visayas and Mindanao — from different spheres of life, yet united by a common goal: to learn and keep on learning.

ComArts offers training on different topics including, but not limited to, stress management, personality development, time management, financial management, leaders with vision and leaders' integrity.

Considering the most appropriate training for your organization, ComArts would like to invite your team for a webinar on **"Stress and Financial Management: Addressing Concerns during this Crisis."**
