all at BPSTEA Building, Tagbilaran City, as an exemption to the Memorandum No. 336 s 2020 directing the suspension of government activities that will tend to congregate people as part of the COVID-19 mitigating measure. The said Memorandum, aside from the various issuances from the Inter-Agency Task Force and the local government units, are crafted to ensure the utmost protection and prevention for our populace against the threat of this global pandemic.

With the continued rise of COVID-19 cases in Bohol and in the country, Executive Order No. 45 s. 2021 was issued placing Bohol under additional heightened restrictions in line with IATF Omnibus Guidelines. However, Section 1 (n) states that *"All forms of gatherings, face to face meetings, public and private conferences and seminars shall be prohibited except for those permitted in GCQ. xxxx.. However, meetings for COVID-19 related activities, gatherings that are essential for the provision of health services, government services or humanitarian activities authorized by the appropriate government agency or instrumentality shall be allowed."*

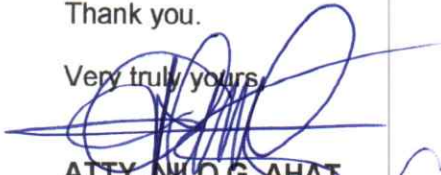

On your request, we are granting conditional approval, subject to the strict compliance of the protocols laid out by BIATF TWG on Medical and Health, to wit:

1. Participants to meetings shall be at a **maximum of 20% sitting venue capacity**, with 10% additional if establishment is granted safety seal;
2. All participants must be fully vaccinated and that the **morning participants must leave the venue** before the start of the afternoon batch to ensure limiting of venue capacity;
3. Mandatory wearing of **face mask and face shield** at all times;
4. Observance of physical distancing of seats and participants at **least 2 meters apart**;
5. Availability of foot bath at the entrance of the venue and alcohol handwash in a designated area;
6. Checking of **body temperature** at the entrance of the venue and prohibiting the attendance of symptomatic participants;
7. Registering of names with contact numbers of all participants for the remote possibility of contact tracing;
8. Coordination with the Rural Health Unit of the respective venue for monitoring purposes on the compliance to health protocols; and
9. **Submission of photos and video documentation** to check compliance of the abovementioned protocols.

Let us continue to remain safe and healthy in this new normal and continue supporting our leaders in our battle against this global pandemic.

Thank you.

Very truly yours,
