REGIONAL MEMORANDUM
 No. **1013**, s. 2021

Invitation to Participate in the National STEM Bee Program

To: Schools Division Superintendents

1. This Office, through the Curriculum and Learning Management Division, disseminates the DM-OUCI-2021-519 entitled, "Invitation to Participate in the National STEM Bee Program," with an orientation on November 17, 2021 and will involve weekly and monthly online challenges leading to the culminating program on July 2022.
2. The activity is an after-school online intervention program that aims to improve Filipino Students' STEM Competencies as it will train and mentor STEM coaches on PISA and TIMSS.
3. Relative to this, schools are encouraged to register until November 16, 2021 and participate in the program.
4. See enclosures for the details.
5. Immediate dissemination and compliance with this Memorandum is directed.

MEMORANDUM
DM-OUCI-2021-519

TO : **MINISTER, MBHTE-BARMM
REGIONAL DIRECTORS**

FROM : 
DIOSDADO M. SAN ANTONIO
Undersecretary

SUBJECT : **Invitation to Participate in the National STEMbee Program in partnership with the Philippine-American Academy of Science and Engineering (PAASE) and Unilab Foundation, Inc. (ULF)**

DATE : November 4, 2021

The Department of Education, in partnership with the Philippine-American Academy of Science and Engineering (PAASE) and Unilab Foundation, Inc. (ULF) announces the conduct of the National STEMbee Program.

The National STEMbee Program is an after-school online intervention program that aims to improve Filipino Students' STEM Competencies as it will train and mentor STEM coaches on PISA and TIMSS—aligned pedagogies and assessment strategies for DepEd learners to participate in across the country. The pilot run will start with an orientation on November 17, 2021 and will involve weekly and monthly online challenges, culminating towards the National STEMbee Finals in July 2022.

Relative to this, schools are encouraged to register and participate in the program. Registration will be until November 16, 2021. Please be informed that the project can only accommodate 50 schools with ten (10) learners allocated per school, and will thus employ a first come, first serve basis for the registration.

For queries and concerns, please contact Ms. Melody Quintanilla, Project Officer, National STEMbee Philippines, Philippine-American Academy of Sciences and Engineering, at email stembeeph@gmail.com.

For immediate dissemination.
