Mr. Jimenez,

Greetings!

The University of the Philippines Department of Science and Technology Scholars' Association (UP DOST SA) is formally inviting you to attend **LAGABLAB (Lagyo ng Agham at Aghimuan tungo sa Bagong Lideratong Aagapay sa Bayan): The Role of S&T in Nation-building.**

Founded in 1979, UP DOST SA is a non-stock, non-profit, socio-academic organization of DOST scholars in the University of the Philippines Diliman. The organization aims to promote science consciousness among the Filipino youth, advance science education in the Philippines, and raise awareness on the present issues concerning science and technology in society.

In line with these objectives and as part of the organization's 42nd anniversary celebration, UP DOST SA will be conducting a webinar entitled **LAGABLAB (Lagyo ng Agham at Aghimuan tungo sa Bagong Lideratong Aagapay sa Bayan): The Role of S&T in Nation-building, on November 20, 2021 (Saturday), from 2:00 PM to 5:00 PM, through Zoom.**

The event aims to shed light on the importance of strengthening science and technology in the different sectors of society and to encourage the youth to realize their role in spreading science and technology awareness, be involved in pressing sociopolitical issues, and develop skills necessary for them to be able to select dependable, civic-minded leaders who genuinely empathize with the needs of the Filipino people by advocating for research-backed projects.

The topics to be covered in the webinar are the following:

Catching Fire: Igniting Science and Technology for Nation-building

Guest Speaker: **Dr. Enrico C. Paringit, PhD**

Executive Director

Department of Science and Technology - Philippine Council for Industry, Energy, and
Emerging Technology Research and Development

**University of the Philippines
Department of Science and Technology
Scholars' Association**

Diliman, Learning Resource Center
University of the Philippines, Diliman, Quezon City

Science and Politics: Seeking Leaders Who Fan the People's Flame

Guest Speaker: **Mr. Raoul Daniel A. Manuel**

National President
Kabataan Partylist

We have also attached a more detailed program flow of the event which can be found below.

The webinar is open and FREE to all high school/college students and to all advocates of science and technology. Participants will receive certificates of participation in recognition of their attendance in the event. In addition, they may also participate in the activities that will be conducted before and during the event in order to win additional prizes.

Interested students may register to participate in the event through the link provided: <https://tinyurl.com/LAGABLABRegistration>.
