Division of Bohol

Dear Mesdames/Sirs,

Greetings from **GuidanceNGO**!

**GuidanceNGO** invites students within your Division to **Career Quest 2021-2022**, a FREE online career webinar and SHS Fair designed for **Grade 10 students**. The series of events is happening **every Friday at 1:00 pm to 5:00 pm from until May 2022**. High Schools may choose any Friday that is most suitable for their Grade 10 students.

**Career Quest 2021-2022** will be conducted in two (2) segments:

**1. Career Webinar segment titled Choices from 1:00 to 2:30 pm**

The **Choices career webinar** will tackle the features of the four basic career tracks in senior high school and the strands under them. Further, the attendees will be oriented on a diversity of college programs and how these programs are aligned to the SHS career tracks and strands. For each college program, the students can be oriented on the following:

- key areas of study behind the college program or "course"
- skill set requirement and character to develop for each college program
- college training that students will go through in college
- employment opportunities behind each college program

For a glimpse of the **Choices career webinar**, please click this link: [https://www.youtube.com/watch?v=7Jo\\_fvE8\\_no](https://www.youtube.com/watch?v=7Jo_fvE8_no).

**2. Senior High School Fair segment from 3:00 to 5:00 pm**

The SHS Fair will be an exhibit of schools offering various career tracks and strands in SHS. Students may attend consultative sessions with the exhibiting schools after this segment or from 5:00 pm onwards.

Grade 10 students within your Division will join this event **FREE OF CHARGE** with Grade 10 students from other high schools.

An option for your Division is to have this event conducted **exclusively for Grade 10 students within your Division**. Please notify us ahead of time so we can block the date for your Division considering that there are 223 DepEd Division Offices. Again, this will be **FREE OF CHARGE**.

GuidanceNGO is doing a survey of junior high schools that are interested to join this event. Please be informed that it is just a survey. We understand that some guidance officials have not finalized their career programs or academic calendars for next school year, or you are yet to get approval from their superiors. So, the items of information that guidance officials will provide on the Survey Form will be taken as tentative or changeable. We just need to know how many Grade 10 students may possibly attend **Career Quest 2021-22**.

To fill out the Survey Form, guidance officials may click this link: [http://guidancengoph.org/CQ\\_survey.html](http://guidancengoph.org/CQ_survey.html).

If the schools within your Division have finally decided on joining the event for their **Grade 10 students**, they may fill out the attached **Attendance Agreement Form** which formally signifies their intention to join the event.

Lastly, please be informed that for the junior high schools within your Division that are interested to participate in this event, we can only accommodate **500 attendees** in the **Choices Career Webinar** segment. This will be on a **first-come, first-served basis**. These 500 students can log in **Zoom** where they can directly interact with the speaker. **In excess of 500**, students may join the event through **Facebook Live** where they can chat questions and reactions. We will send the guidance officials the **Zoom** and **Facebook Live** links that they may disseminate to their Grade 10 students.

For the **SHS Fair segment**, we can accommodate approximately **4,000 attendees** every Friday.

To know more about **GuidanceNGO**, you may visit our Web site by clicking this link: <http://guidancengoph.org/>.

We look forward to the Grade 10 students within your Division attending **Career Quest 2021-2022**. Please e-mail or call us if you have any concern.

Stay safe and God bless.

Dear Sir/Ma'am:

Greetings from GuidanceNGO!

GuidanceNGO invites students within your Division to **Career Quest 2021-2022**, a FREE online career webinar and SHS Fair designed for **Grade 10 students**. The series of events is happening **every Friday at 1:00 pm to 5:00 pm until May 2022**. High schools may choose any Friday that is most suitable for their Grade 10 students.

**Career Quest 2021-2022** will be conducted in **two (2) segments**:

1. **Choices Career Webinar** segment titled **Choices** from 1:00 to 2:30 pm

The **Choices Career Webinar** will tackle the features of the four basic career tracks in senior high school and the strands under them. Further, the attendees will be oriented on a diversity of college programs and how these programs are aligned to the SHS career tracks and strands.

For each college program, the students can be oriented on the following:

- key areas of study covered by the tech-voc or college program
- skill set requirement and character to develop for each tech-voc or college program
- college or tech-voc training that students will go through
- employment opportunities for each tech-voc or college program

For a glimpse of the **Choices Career Webinar**, please click this Youtube link: <https://www.youtube.com/watch?v=7Jo fvE8 no>.

2. **Senior High School Fair** segment from 3:00 to 5:00 pm

The SHS Fair will be an exhibit of schools offering various career tracks and strands in SHS. Students may attend consultative sessions with the exhibiting schools at 5:00 pm onwards.

Grade 10 students within your Division will join this event **FREE OF CHARGE** with Grade 10 students from other high schools.

An option for your Division is to have this event conducted **exclusively for Grade 10 students within your Division or for selected high schools within your Division**. Please notify us ahead of time so we can block the date for your Division or some selected high schools within your Division as there are 223 DepEd Division Offices. Again, this will be **FREE OF CHARGE**.

GuidanceNGO is doing a survey of junior high schools that are interested to avail of this event. Please be informed that **it is just a survey**. We understand that some guidance officials may have not

finalized their career programs for this school year, or are yet to get approval from their supervisors. So, the items of information that guidance officials will provide on the Survey Form will be taken as tentative or changeable. ## **RATIONALE, OBJECTIVES, AND EXPECTED OUTPUT FROM THE EVENT**

### **CAREER QUEST 2021-2022** **an Online Career Webinar and SHS Fair**

#### **Rationale**

The Career Quest event is designed primarily to clarify what senior high school is, what is expected of the learners in Grade 11 and 12, and what preparations should they make before finally deciding on any of these options in senior high school.

By informing the Grade 10 learners about the choices that await them and what these choices are all about, they can be better prepared to take on the challenges of senior high school.

#### **Objectives**

Attendance to the Career Quest event aims to achieve the following objectives:

1. Present to the Grade 10 learners what their choices are before proceeding to senior high school. By gaining a clearer view of senior high school tracks and strands, students can make informed decisions.
2. Assist our learners gain a wider perspective of careers, and how these careers can serve as their bases in choosing career tracks and strands.
3. Explain to the Grade 10 learners the rationale behind the subjects within the three subject groups in senior high school, i.e. the Core, Applied, and Specialized Subjects.
4. Resolve misconceptions about certain college programs such as Economics being a social science. Many have misconstrued that Economics is a business program.
5. Be acquainted with institutions that offer the career tracks and strands in senior high school and how getting into these institutions can better prepare them for their plans after senior high school.
6. Help the Grade 10 learners appreciate the value of senior high school and how it is so designed to address issues behind their eventual employment in various industries as they chart their career paths.
7. Clarify to the Grade 10 learners that their choices in senior high school may affect their career plans and how to handle certain crossroads wherein some of their choices may not be aligned to what they have planned for careers they want to pursue.

### **Expected Output**

1. By attending the Career Quest event, Grade 10 learners can be more equipped with the necessary tools in taking their first stab at career-decision making.
2. A fuller understanding of choosing the right career path can help the Grade 10 learners thrive in their chosen career tracks and strands as their choices will be aligned to their personal interests.
3. By introducing to the Grade 10 learners the ideas behind the following salient points of information about many careers, such as,
  - a) the key areas of study;
  - b) the skill set or character required by certain careers;
  - c) the misconceptions about certain careers;
  - d) the subsequent training that they will go through in a college or a tech-voc program;
  - e) and employment opportunities that await them;

our Grade 10 learners can make more sensible decisions as they will be able to evaluate their career choices based on the values that they uphold and on their priorities in choosing careers.

4. A breadth of options for senior high school education where the Grade 10 learners can pursue some of those career tracks and strands that may not be available in their local schools.
5. Settlement of a more concrete plan on how the Grade 10 learners may be able to achieve their dream careers based on their financial capacity vis-à-vis their academic performances and accomplishments.
