HON. LEONOR M. BRIONES

Secretary
Department of Education

Dear **Secretary Briones**:

From the National Archives of the Philippines (NAP), Mabuhay!

We are one with all the sectors of society in expressing our deep concern for those that were affected by the recent typhoon. In such times of disaster, we would like to gently and respectfully remind everyone that records are often also badly affected. We are therefore conveying for dissemination the attached guidelines on what to do in post-disaster situations for records in your offices in regional centers in the Visayas and Mindanao provinces.

We would, likewise, like to know if you have considerable amounts of records damaged by the typhoon which require our conservation intervention. We have learned from our previous experiences that people are not immediately ready to deal with records issues right after catastrophes. This is why we only send records assistance missions to the affected areas a month or two after disasters strike.

We have been conducting workshops on disaster prevention methodologies to try to avoid further damage to records. In the event that records are unrecoverable we may also assist with proper disposal following prescribed procedures as required by law.

Please be assured that we are ready to conduct our post-disaster missions/workshops in your designated areas in coordination with your office when you deem yourselves ready to address post-disaster needs.

Should you have any questions, your offices may get in touch with us at (02) 8524 – 3231 or thru email: nationalarchives@nationalarchives.gov.ph.

Thank you.

Very truly yours,

 INCLUDING GOVERNMENT-OWNED
 AND CONTROLLED CORPORATIONS,
 GOVERNMENT FINANCIAL IN-
 STITUTIONS, CONSTITUTIONAL
 OFFICES, LOCAL GOVERNMENT
 UNITS, STATE/LOCAL COLLEGES
 AND UNIVERSITIES, GOVERNMENT
 HOSPITALS AND WATER DISTRICTS

SUBJECT : GUIDELINES ON RECORDS
 RECOVERY AND DISPOSAL
 MEASURES

I. Background

This Memorandum Circular aims to provide guidance to all government agencies on the proper procedures to be undertaken in the recovery stage after a disaster.

This Memorandum Circular is prepared pursuant to Article II, Sec. 9(i) of Republic Act No. 9470 which authorizes the National Archives of the Philippines (NAP) to establish and implement government-wide program on public records and archives counter disaster planning.

II. Guidelines

The following are the guidelines to facilitate systematic records recovery after disaster:

- A. Only undertake work that will not endanger human lives. Proceed only when everything is safe and secured.
- B. Check existing/remaining records against the agency's inventory of records;
- C. Vital records must be prioritized for recovery;
- D. Ensure safe handling in the retrieval of records, relocation destination, transportation arrangements and documentation procedures;
- E. Salvage operations include packing and removing records from affected areas; digging up of records, securing against theft, water, insect infestation, and other processes;
- F. Air-dry water damaged records away from sunlight. Do not dry water damaged records under the sun. UV rays from sunlight will cause fading of what is written/printed on paper documents. If electricity is available, use electric fans but don't point these directly at the records.
- G. Carefully remove dirt and dust using soft brush or other suitable instrument. Do not attempt to separate papers which are stuck together.
- H. Coordinate with NAP for technical assistance on appropriate restoration. Do not attempt to perform restoration activities on the records without first consulting NAP. This may unintentionally do more damage to the records.
- I. Non-paper materials such as photographic, magnetic and other electronic media require specialized techniques of restoration. Please coordinate with NAP for possible rehabilitation measures.
- J. Documentation including photography of all procedures must be made for reporting purposes.

- K. Records damaged by water or other elements can be disposed of only after securing Authority from NAP.
- L. Rule 13 of NAP General Circular No. 2 states that disposal of damaged permanent public records and damaged public records that have not yet passed their prescribed retention periods shall be considered for authorized disposal only upon submission to NAP of the following requirements:
1. Official Report which contains information of the non-usability and extent of damage of records as well as causes of the damage to the public records; photo documentation and information on what other agency records series can the data or information of the damaged public records be found;
 2. Request for Authority to Dispose of Records (NAP Form No. 3) in three (3) copies and properly filled-out with the specific records series, period covered and volume of the damaged public records, approved and signed by agency officials concerned;
 3. Certification that the said damaged public records that are subject of audit were post-audited and finally settled and/or the records involved in a case or investigation were finally decided upon or settled; and,
4. If expediency demands and upon the order of the Executive Director, an official assessment by a NAP Representative who shall conduct an actual physical inspection and evaluation of the damaged records may be requested. A report of this assessment may be appended to a request for an Authority to Dispose.
- M. Article V, Rule 14 of NAP General Circular No. 2 stipulates that a person who, wilfully or negligently damages a public record or disposes of or destroys a public record in violation of the provisions of R.A. 9470 or contravenes or fails to comply with any provision of said Act and its IRR shall be deemed to have committed an offense.

III. Directive

All heads of the departments, agencies, and instrumentalities of the National Government, including GOCCs, GFIs, Constitutional Offices, LGUs, SUCs, Government Hospitals and Water Districts affected by earthquake and typhoon Yolanda are enjoined to implement the guidelines stated herein for records recovery and proper disposal of records.

This Memorandum Circular shall take effect immediately.

DONE, in the City of Manila, this 15th day of January in the year of our Lord, Two Thousand and Fourteen.
