1. Section 2 of the Republic Act No. 11036, otherwise known as the Mental Health Law (June 20, 2018), stipulates that the state affirms the fundamental right of all Filipinos to mental health and the fundamental rights of people requiring mental health services. Considering the many challenges in this dynamic world, it is not surprising that mental health can be an issue for many people. This is the major reason why even our national government has enacted the Mental Health Law. Teachers and administrators are definitely not exempted from these challenges

May 16-17, 2022 (Batch 1)
May 30-31, 2022 (Batch 2)
Note: Only those who are fully vaccinated are allowed to attend the said orientation.
3. Travelling and other incidental expenses incurred relative to the participation of the said activity is chargeable to school/division MOOE and other local fund source available, subject to the usual accounting and auditing rules and regulations.
