**DEAR DR. DAGATAN,**

The Philippine Gift of Life Foundation will be conducting an outreach medical mission here in the City of Tagbilaran.

We are including the aforesaid health initiative as a sidelight event in the lead-up to our free massive Eye Surgical Mission dubbed "Operation Klaro: Bohol Gift of Sight" scheduled on June 22-30, 2022 this year at the Borja Family Hospital.

In connection with this, may we invite you to take the rare opportunity to participate in this humanitarian event by doing a free dental mission to target around 100 marginalized Boholano families.

As such, in this proposed dental mission which is scheduled on the 21<sup>st</sup> of May (from 1:00 PM to 5:00 PM), will consist of detailing certified dentists from your highly-respected office to provide dental kits and medicines to targeted Boholano families at the Tagbilaran City Hall atrium grounds.

Please let us know if your group is interested on taking this dental mission opportunity.

Thank you and keep safe in these pandemic times!

Sincerely yours,

  
**FANCY S. BALUYOT, RN**
