## INVITATION

**FOR :** REGIONAL DIRECTORS  
DEPARTMENT OF EDUCATION

**FROM :**   
LUNINGNING E. SAMARITA DOMINGO, CESO III  
Director IV

**DATE :** 06 June 2022

**SUBJECT :** NAST Webinars for the Month of June 2022

The National Academy of Science and Technology, Philippines (NAST PHL), an attached agency to the Department of Science and Technology, will be hosting the following virtual events:

### 1) SCIENCE POLICY AND INFORMATION FORUM ON TUBERCULOSIS ELIMINATION

**WHEN:** 20 June 2022, 9:00 AM – 12:00 NN via Zoom  
**REGISTRATION:** <https://bit.ly/TBelimination>

Tuberculosis (TB) remains highly prevalent in the country. In particular, it is the eighth leading cause of death among the working-age group. The infectious disease also has a significant impact on families and communities, as families become impoverished whenever a family member comes down with tuberculosis. At present, there is a continuing global effort for TB Elimination by 2030.

The virtual forum aims to present the strategic enhancements and necessary activities for the Philippines to attain the TB elimination targets, particularly during and after the COVID-19 Pandemic.

### 2) WEBINAR ON MARINE ECOSYSTEM AND POLICIES

**WHEN:** 24 June 2022, 9:00 AM – 12:00 NN via Zoom  
**REGISTRATION:** <https://bit.ly/WebinarMarineEcosystems>

Marine ecosystem services of coastal protection and carbon sequestration and other biodiversity goods (genetic resources) are particularly critical in the context of changing climate. Showcasing coastal success stories rooted in effective local governance and community engagement, and sharing insights on how policies can be better implemented or reformulated to address local current contexts.

This webinar series will focus on mangroves, seagrasses, coral reefs and sediment communities, their vital services and how to stop their ongoing degradation, partly due to the misaligned/inappropriate bureaucratic framework.

You may also watch the live broadcast on the NAST PHL Facebook page (<https://www.facebook.com/nastphl>).

Should you have questions or clarifications, please email us at [advisory@nast.dost.gov.ph](mailto:advisory@nast.dost.gov.ph) or call us at (02) 8837-20-71 loc. 2170.

Thank you and stay safe.
