DR. BIANITO A. DAGATAN, CESO V
Schools Division Superintendent
Division of Bohol

Dear Dr. Dagatan:

Greetings of peace and prosperity.

It is our sincere intention to promote Pacific InterContinental College in your division through google meet with teachers or face to face encounter (depending on their request) to offer an opportunity to teachers to go further studies and enhance their personal and professional development by allowing us to make promotion to schools in Bohol.

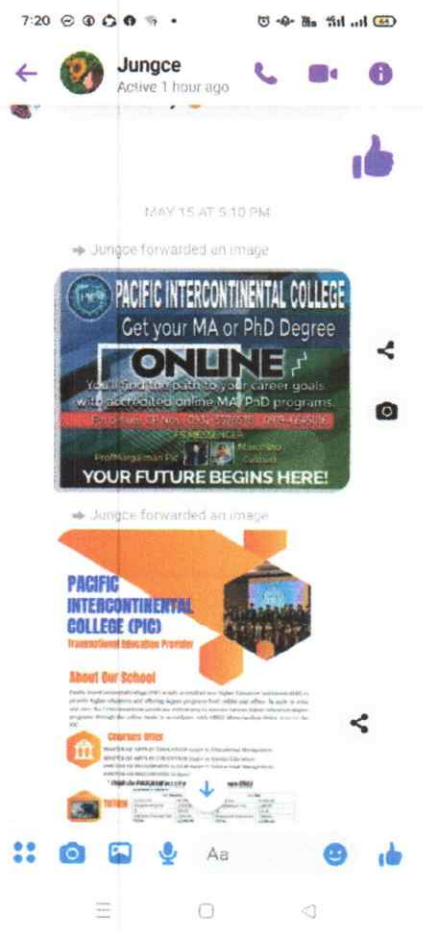

Our school is offering Master of Arts in Special Education, Doctor of Philosophy in Educational Leadership and Management Major in Special Education, Master in Educational Management, Doctor of Education Major in Educational Management, Master in Education Major in Early Education, and Doctor in Education Major in Early Education. We assure you that our school is a CHED-accredited institution that offers Master's and Doctoral degrees through a transnational education delivery model, as confirmed by the CHED's Executive Director IV Atty. Julito D. Vitriolo, CESO III.

We are pleased to inform you that our school provides a less stressful learning environment while maintaining high standards. We are fully aware that teachers have a lot of work and extra responsibilities. This is why, at PIC, we do not demand our students to do reports or any extra work in order to meet their course requirements. Professors, all of whom hold doctorates and are specialists in their domains, will provide learning inputs. This is to ensure that teachers are not hampered in carrying out their division's tasks and activities while continuing their personal and professional growth.

We do hope you could extend a positive response on this matter.

Very truly yours,

DR. MARCELINO GALMAN
PIC CaMaNaVa Chapter Coordinator
