OUA MEMO 00-0522-0098
MEMORANDUM

19 May 2022

For: **Regional Directors Concerned**
Schools Division Superintendents Concerned
Regional and Division DRRM Coordinators Concerned
Schools Heads Concerned

Subject: **MONITORING OF REGISTRATION OF YSEALI CLIMATE**
CHANGEMAKERS (YCCM) BATCH 2 PARTICIPANTS

The Office of the Undersecretary for Administration (OUA), through the Disaster Risk Reduction and Management Service (DRRMS), would like to request your office to encourage the enrollment of participants in an online training course for the personnel of the Department of Education (DepEd) who are teaching climate change.

This was contained in OUA Memorandum Number 00-032-0194 titled 'Selection of Participants for the Second Batch of YSEALI Climate Changemakers (YCCM).' (*YSEALI stands for Young Southeast Asian Leaders Initiative.*)

Enrollment for the second batch started on 2 May 2022, Monday. As of 3:00 p.m. of 18 May 2022, 1,213 out of 1,550 of the selected participants have enrolled through the Learning Management System (LMS) of DepEd.

Instructions on how to enroll were earlier sent to their registered e-mail addresses.

If there are glitches on the enrollment process, kindly send an e-mail with screenshots of the LMS profile and the error message at climatechangemakersph@gmail.com.

Aside from the invitation to join the course, we are also urging the selected

participants to join in the Facebook group. So far, only 515 of them have joined the group.

Please refer to **Annex A** for the details on the participants, status of their enrollment and their synchronous session schedule.

Please refer to **Annex B** for the details of the participants' enrollment status by region and division.

Further, please refer to **Annex C** for the list of mentors for the second batch.

We are also re-attaching the project briefer (**Annex D**) and schedule of the activities (**Annex E**) for your reference.

For more information, please contact Mr. John Paul Ferreria of DRRMS at drmo+ccam@deped.gov.ph.

For immediate action.

ALAIN DEL B. PASCUA

Undersecretary

About YSEALI

Launched in 2013, the Young Southeast Asian Leaders Initiative (YSEALI) is U.S. government's signature program to strengthen leadership development and networking in Southeast Asia.

Through a variety of programs and engagements, including U.S. educational and cultural exchanges, regional exchanges, and seed funding, YSEALI seeks to build the leadership capabilities of youth in the region, strengthen ties between the United States and Southeast Asia, and nurture an ASEAN community.

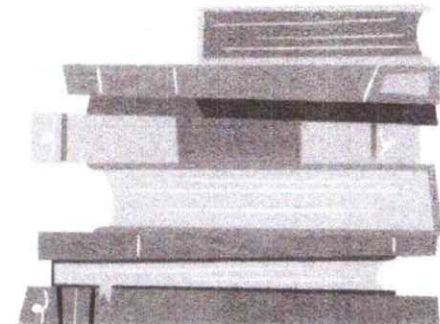

YSEALI focuses on critical topics identified by youth in the region: Civic Engagement, Economic Empowerment and Social Entrepreneurship, Education, Environmental Issues

About DepEd DRRMS

The Disaster Risk Reduction and Management Service (DRRMS) is the Department of Education's focal and coordination unit for Disaster Risk Reduction and Management, Climate Change Adaptation, and Education in Emergencies.

In recognition of the various disaster risks arising from natural and human-induced hazards, through Department Order (DO) no. 50 series of 2011, DepEd created the Disaster Risk Reduction and Management Office, in line with the Philippine Disaster Risk Reduction Management Act of 2010 (Republic Act 10121). The office was elevated into a Service in 2015.

Timeline

Date	Activity
May 2, 2022 – June 18, 2022	Subject 1 – Introduction to Climate Change
June 20 – July 9, 2022	Subject 2 – Teaching Climate Change
July 29, 2022	Online Completion Ceremony

Please refer to the [calendar](#) for the detailed schedule.

Profile of Participants

Learning Facilitators

- Has worked at the DepEd in a teaching or non-teaching position for at least one year
- Exemplifies leadership or shows leadership potential
- Demonstrated interest in being more active in climate action

Teachers

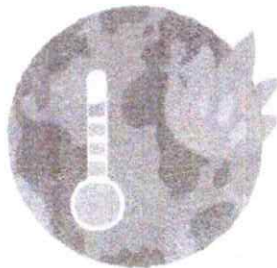

- Comes from 350–500 different schools
- Variety of experience (different subject area and grade being taught)

Training Details

The course will be hosted at the DepEd's online training platform and will involve synchronous and asynchronous sessions for 10 weeks.

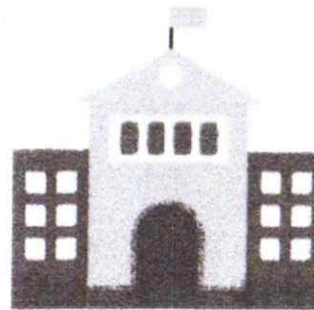

There are two (2) training courses:

1

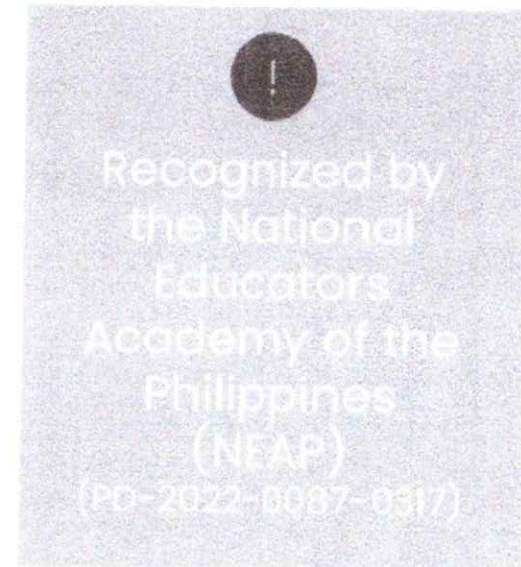

**Introduction to
climate change**

2

**Teaching
climate change**

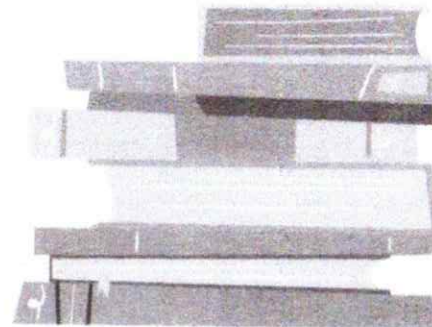

Both subjects will end with a capstone project, a personal/family/school action plan for the core subject and a teaching/learner's material with climate change integration for the specialized subject.

Training Details

1,000 slots were also opened to train DRRM personnel from the Central Office and DRRM coordinators nationwide.

DepEd personnel who were participants in previous DRRMS trainings, programs, and activities were invited to join.

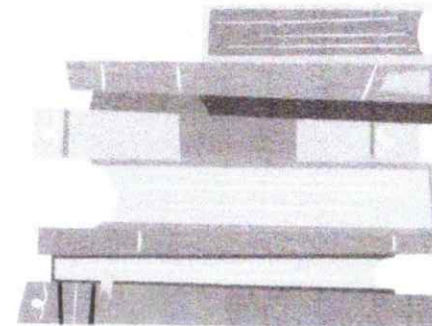

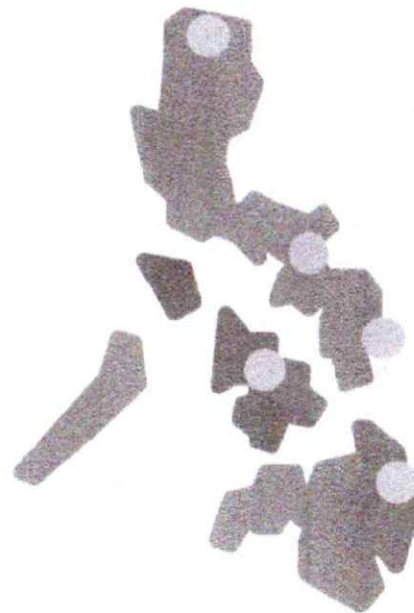

Training Details

The participants are from the Divisions of Sorsogon, Iloilo City, Eastern Samar, Surigao Del Sur, and Apayao of Regions V, VI, VIII, XIII, and CAR.

Selected DepEd personnel were trained as learning facilitators for the 2,000 teachers who will be the pilot participants.

Participants were selected based on the most vulnerable areas to climate change as identified by the Philippine Cabinet Cluster on CCAM-DRR.

YSEALI CLIMATE CHANGEMAKERS

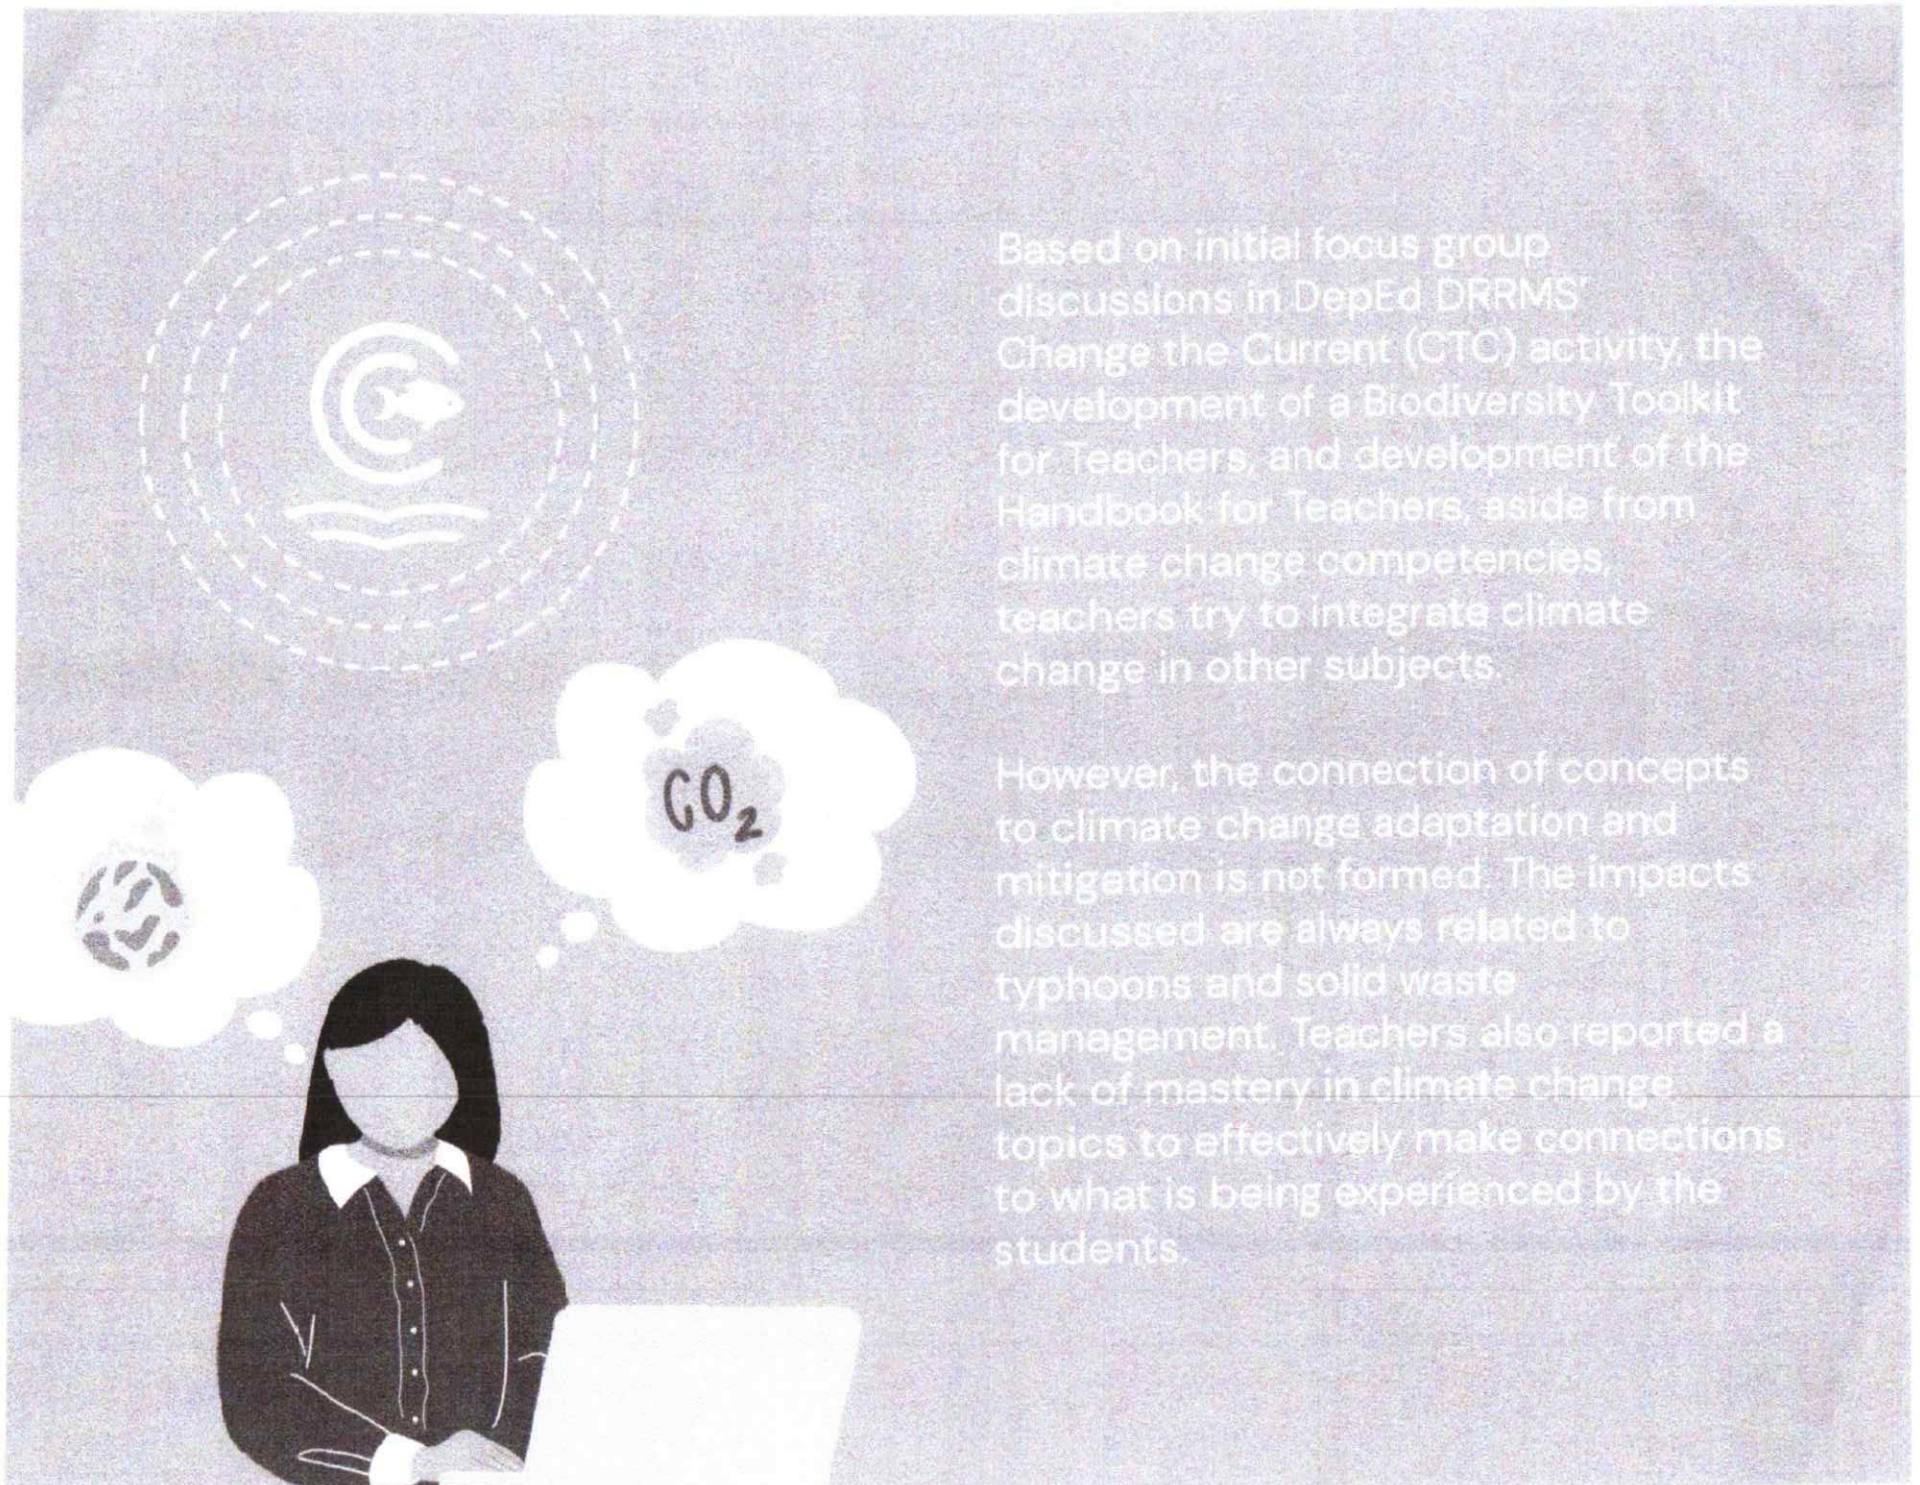

YSEALI Climate Changemakers is an online training course that aims to increase the competence of teachers in teaching climate change concepts and encouraging learners to act on climate. It consists of one core training subject on introduction to climate change and a specialized training subject on teaching climate change.

TEACHERS' TRAINING
FOR CLIMATE ACTION
IN THE PHILIPPINES

With the much-needed training course for Filipino teachers, **YSEALI Climate Changemakers** aims to enable teachers to effectively teach climate change competencies, integrate climate change in other competencies, and commit to climate action.

Based on initial focus group discussions in DepEd DRRMS' Change the Current (CTC) activity, the development of a Biodiversity Toolkit for Teachers, and development of the Handbook for Teachers, aside from climate change competencies, teachers try to integrate climate change in other subjects.

However, the connection of concepts to climate change adaptation and mitigation is not formed. The impacts discussed are always related to typhoons and solid waste management. Teachers also reported a lack of mastery in climate change topics to effectively make connections to what is being experienced by the students.

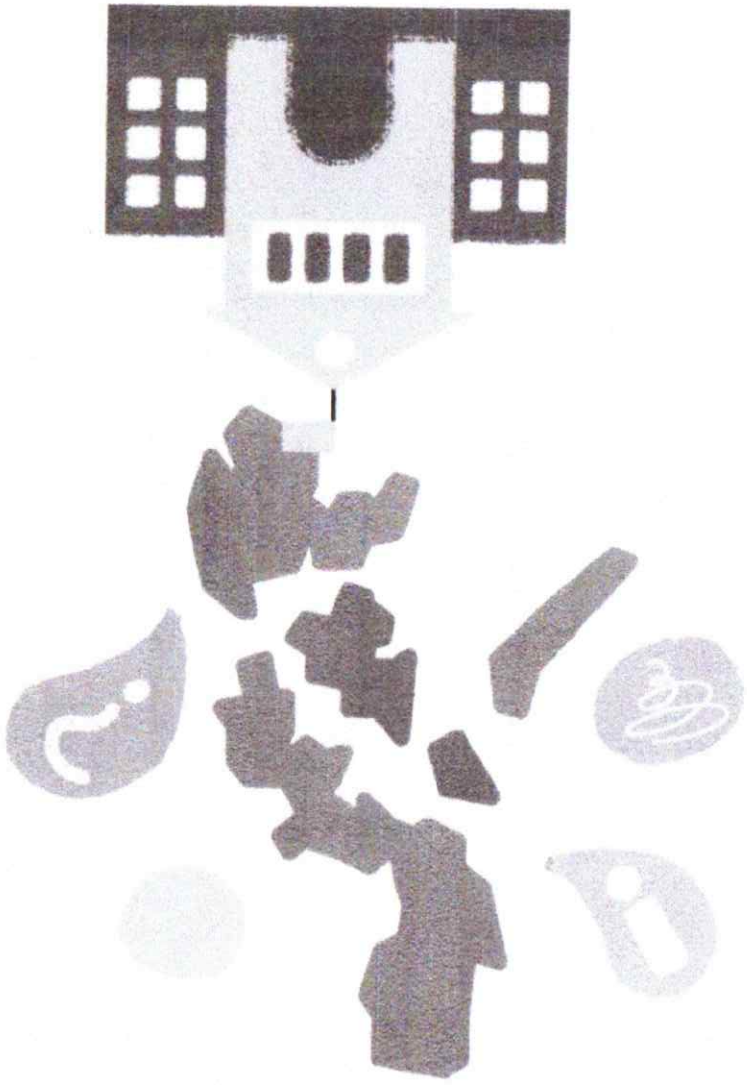

Project Rationale

The Philippines had long responded to the call for climate education,

pursuant to the Republic Act 9729 or the Climate Change Act of 2009. The Enhanced Basic Education Act of 2013 strengthened curriculum integration of key climate change concepts

across grade levels. However, there is a gap between the formal curriculum and the learned curriculum.

While the competencies are already embedded in the curriculum, there is no monitoring of the actual delivery of these competencies.
