1. Section 2 of the Republic Act No. 11036, otherwise known as the Mental Health Law (June 20, 2018), stipulates that the state affirms the fundamental right of all Filipinos to mental health and the fundamental rights of people requiring mental health services. Considering the many challenges in this dynamic world, it is not surprising that mental health can be an issue for many people. This is the major reason why even our national government has enacted the Mental Health Law. Teachers and administrators are definitely not exempted from these challenges
2. SDO Bohol has already provided activities with regard to psychosocial, and mental well-being support and interventions to SDO Bohol teaching, teaching-related and non-teaching personnel. Project DERS (Dance Exercise through Religious Songs), has been launched and adopted at the division, district, and school levels.
3. This Office announces the conduct of **Enhancement of the Division GAD Flagship Program Kinabuhi Ko, Ampingan Ko for Official Presentation to the Regional Management Committee**, at North Zen Villas, Doljo, Panglao, Bohol, on July 27-28, 2022.
