

Republic of the Philippines
Department of Education
Region VII – CENTRAL VISAYAS
SCHOOLS DIVISION OF BOHOL

Office of the Schools Division Superintendent

Division Advisory No. 46 s. 2022
July 29, 2022

In compliance with DepEd Order (DO) No. 8, s. 2013, this advisory is issued not for endorsement per DO 28, s. 2001, but for the information of DepEd Officials, personnel/staff, as well as the concerned public.

POTENTIAL SOURCE FOR THE PURCHASE OF ROBOTICS KIT

1. CREOTEC Philippines Inc. is an all-Filipino company and a member of the EMS Group of Companies. They have recently completed their regional workshop on integrating robotics in the science curriculum.
2. In addition, Creotec Philippines Inc. requests our support to improve the technology competencies of teachers and public school students through the use of Robotic Kits in the classroom. The company's affordable package worth is ₱10,435.00.
3. This can be chargeable against the school MOOE/local funds subject to the usual government accounting auditing rules and regulations.
4. See enclosures for further details.
5. Immediate and wide dissemination of this memorandum to all concerned is desired.

DepEd R7 Advisory No. 0130, s. 2022
July 25, 2022

(In compliance with DepEd Order No.8, s.2013, this advisory is issued for the information of DepEd officials, personnel/staff, as well as the concerned public.)

POTENTIAL SOURCE FOR THE PURCHASE OF ROBOTICS KIT
(Creotec Philippines, Incorporated)

1. Creotec Philippines Incorporated has recently participated in the Regional Curriculum Mapping in Science integrating the key concept in Robotics last June 14-15, 2022.
2. In the aforesaid event, Creotec facilitated a mini workshop to demonstrate simple assembly and coding skills necessary in the inclusion of robotics concept in the science curriculum.
3. Creotec offers Robotics' Kit for a reasonable price with free consultancy and coaching services in strengthening the teachers' technology competencies in using robots for researches.

DR. SALUSTIANO T. JIMENEZ

Regional Director
Region 7

THRU: **DR. BRYANT C. ACAR**
Education Program Supervisor - Science

Dear Sir:

We are pleased to inform you that Creotec Philippines Inc. has successfully completed its regional workshop on integrating robotics in the science curriculum held yesterday, June 14, 2022, attended by selected Science Teachers in the region.

We are glad that all the participants appreciated the workshop and were able to demonstrate simple assembly and coding skills necessary in the inclusion of robotics concepts in the science curriculum and in research investigatory projects. We can provide further detailed training for teachers in the region to build their capabilities in preparation for the full implementation of the enhanced curriculum.

It is in this regard that I would like to request for your endorsement for the schools in Region 7 to purchase at least one robotics kit that they can initially use for their demonstration of science principles in the classes. We know that one robot kit will not be enough for use in each school but if the school is capable, it can be one robot kit per grade level. This is a good start to motivate the students in learning science and math.

The simplest kit that was used during the training costs **Ten Thousand Four Hundred Thirty-Five Pesos (Php10,435)** only. This can be purchased as part of their MOOE learning materials, if possible.

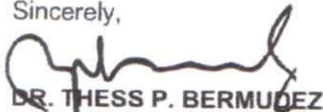

We will provide free consultancy and coaching services in strengthening the teachers' technology competencies in using robots for researches to develop more innovative and technical science investigatory projects that can be submitted for regional, national or even world competitions. We are very much aware that there are outstanding concepts and ideas in the region that have been well-written and we can help in providing inputs for the development of the corresponding prototypes.

We shall be with you in the implementation and realization of this project.

We hope to secure the endorsement that can be used by the schools as reference for their purchase.

Thank you for your usual support. We are one with you in taking the path in upgrading and improving our quality of education to meet the learning needs of our 21st century learners.

Sincerely,

DR. TRESS P. BERMUDEZ

Director

Creotec Philippines Inc.

An EMS Group Member Company
