REGIONAL MEMORANDUM  
No. \_\_\_\_\_, s. 2022

**REITERATION OF THE ANNUAL PHYSICAL EXAMINATION OF DEPED PERSONNEL**

To: Schools Division/City Superintendents  
Officers-in-Charge of Regular/Interim Divisions  
School Health and Nutrition Personnel  
All Others Concerned

1. For the past two years, during the peak of the COVID-19 pandemic, alternative means of clinical assessment such as telemedicine consultations, online spreadsheets and other forms of medical data gathering were done to give consideration to all DepEd personnel to prevent exposure to the virus.
2. With the lowering of the alert level status throughout the country, this communication hereby reiterates the DepEd Memorandum No. 22, s. 2015 entitled "Annual Physical Examination of DepEd Employees (Teaching and Non-Teaching Personnel)".
3. All Department of Education (DepEd) teaching and non-teaching personnel shall undergo annual physical examination in compliance with the Civil Service Commission Memorandum Circular No. 17, s. 1989.
4. In reference to OUA Memo 00-0322-0020 entitled, "Resumption of the Delivery of School-Based Health Services in Schools Participating in the Pilot Implementation of Limited Face-to-Face" and in the advent of the resumption of the face-to-face classes, implementation of the teachers' annual health clearance shall be observed. This surveillance strategy can detect early signs of both communicable and lifestyle diseases and provide timely intervention thus, preventing absenteeism and major health-related complications for everyone's welfare.
5. **Chest X-ray** - PA view (within 6 months) together with cost-effective lab tests such as **complete blood count** (within 3 months) and **urinalysis** (within 3 months) will be submitted to the division school health and nutrition personnel. However, additional laboratory requests may be recommended by the physician, division medical officer or regional medical officer (in the absence of the division medical officer), if deemed necessary. If the employee is pregnant, she will be advised to undergo sputum microscopy or Gene X-pert testing in lieu of the chest x-ray.
6. To ensure that all DepEd teaching personnel are physically fit to perform their roles and functions and to guarantee the proper implementation of this memorandum, it is advised that the annual medical check-up be one of the requirements for the

clearance of teachers at the end of the school year. For this year however, the deadline may be extended at the start of the school year to give ample time to the teaching personnel to comply with the laboratory requirements. The **Teacher's Annual Health Examination Form 86** may be filled-out by the DepEd Medical Officer, Konsulta Service Provider Medical Officer or any government-licensed physician.

7. To help alleviate with the financial burden of the laboratory test fees, all DepEd teaching and non-teaching personnel are encouraged to avail of the Philhealth Konsulta Package depending on the availability of the accredited service provider within the area. For more details, attached are the Philhealth Circular No. 2020-0022 and the list of accredited Konsulta facilities for your reference.
8. All Schools Division Superintendent (SDS), Assistant Schools Division Superintendent (ASDS) and other DepEd officials are enjoined to support this memorandum to forge and sustain a healthy government workforce in order to provide continuous, efficient and effective delivery of services to the public, most especially to our learners.
9. Immediate dissemination of and compliance with the Memorandum is desired.

**PHILHEALTH CIRCULAR**

No. 2020-0022

**TO :** ALL FILIPINOS, ACCREDITED HEALTH CARE INSTITUTIONS/ PROVIDERS, PHILHEALTH REGIONAL OFFICES, BRANCHES, LOCAL HEALTH INSURANCE OFFICES AND ALL OTHERS CONCERNED

**SUBJECT :** Implementing Guidelines for the PhilHealth Konsultasyong Sulit at Tama (PhilHealth Konsulta) Package

**I. RATIONALE**

As an initial step towards adopting a comprehensive approach to delivering primary care, PhilHealth has committed through PhilHealth Board Resolution No. 2479 to expand the primary care benefit to cover all Filipinos. The resolution mandated the issuance of PhilHealth Circular (PC) No. 2020-0002 entitled "Governing Policies of the PhilHealth Konsultasyong Sulit at Tama (Konsulta) Package: Expansion of the Primary Care Benefit to cover all Filipinos". Section IV. B. of the aforementioned Circular requires the issuance of applicable rules for member registration and assessment, service package, benefit availment, provider payment mechanism and provider performance assessment.

**II. OBJECTIVE**

The Circular aims to enable access to primary care by adopting a responsive financing mechanism for the delivery of quality primary care services and commodities. Likewise, it aims to define the PhilHealth Konsulta benefit package and to provide specific guidelines on registration to a primary care provider, benefit availment, applicable payment mechanism, reporting rules and performance assessment.

**III. SCOPE**

This Circular covers the implementing guidelines of the PhilHealth Konsulta in its transitional phase towards a comprehensive outpatient benefit as mandated by the Universal Health Care Law.

The rules on accreditation of Health Care Providers shall be issued on a separate Circular.

**IV. DEFINITION OF TERMS**

- A. Active patient seeking - refers to the selective, coercive, and/or exploitative engagement of unwilling and/or ill-informed individuals in order to collect payments from PhilHealth. This can refer to either provider inducement where the provider delivers unnecessary health services to a patient to file a claim, the involuntary registration of unconsenting individuals to a provider, and/or deliberately targeting the registration of mostly healthy and/or low-risk individuals to maximize profit.

- F. Electronic Medical Record (EMR) - is the electronic record system or the electronic document of a patient's encounter in one health facility. In this case, the patient's medical or health record at a health facility is being received, recorded, transmitted, stored, processed, retrieved or produced electronically through computers or other electronic devices.
