**Subject: FOLLOW-THROUGH TRAININGS (FTT) 2022 FOR CJH BATCH 6
TEACHER-TRAINEES**

Dear Ma'am:

Warmest greetings from The Japan Foundation, Manila!

As we conclude the Summer Intensive Course on 05 August 2022, we would like to announce the conduct of the 2022 Follow-Through Trainings (FTT) for the CJH Batch 6 trainees. It aims to achieve the following:

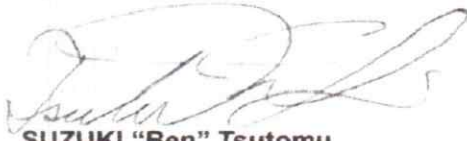

- To develop self-confidence among the teacher-trainees as Nihongojins and Nihongo teachers;
- To be able to acquire at least the N5 level of the Japanese Language Proficiency Test; and
- To strengthen the network of Nihongo teachers through discussion and sharing of teaching experiences and strategies, assessment and evaluation of the enTree curriculum, and conduct of special Nihongo lessons.

The training will be held online, twice a month beginning in September. The sessions during the first Saturdays of every month will be for enhancing the Japanese language proficiency, while the third Saturdays of every month will be for training on how to teach with the enTree materials.

Once again, we request for the assistance of selected DepEd teachers to serve as instructors for the FTT. As CJH training completers, they will be able to help the Batch 6 trainees to gain a better understanding of the Japanese language and the concept of enTree.

Attached below are the **Schedule of the Follow-Through Training**, the **List of Requested Instructors**, and the **List of Participants**, for your reference. Should you have any questions or clarifications, please just let us know. Thank you for your continued support for Japanese language education in the Philippines.

Sincerely,
