GUIDELINES FOR THE SEARCH FOR OUTSTANDING PROGRAM IMPLEMENTERS (OPI)

I. Overview

The project accomplishment's video presentation and interview are two (2) of the assessment processes for OPI Search in which the representatives of the short-listed nominees in school, district, & division categories will present their program/project standards and implementation accomplishments, impact, sustainability/adaptability/replicability, innovation and stakeholders' support and respond to the questions given by the Regional Validation Team.

The following are the major assessment steps in determining the OPI winner. The breakdown of the criteria are as follows:

- **Audio/Video Presentation of Project Accomplishment and interview (20%)**
Criteria:
Content (60%)
Delivery (20%)
Impact/persuasion (20%)
- **Virtual Site Validation Result (80%)**

II. Mechanics and Guidelines

For a relevant and effective presentation, presenters are required to prepare a 3-5 - minute audio/video presentation showing the following:

- a) **Compliance to Program/Project Standards and Implementation Accomplishments**
- b) **Impact**
- c) **Sustainability/Adaptability/Replicability**
- d) **Innovation**
- e) **Stakeholders' Support**

Focal person of the Project, school/district/division head, and client/stakeholder can join with the presenter to the panel interview and they can give substantial input or response to the questions of the panel of adjudicators.

For a systematic flow of the activity, each presenter is given 3-5 minutes to present and 45 minutes for the panel Q & A (a total of 55 minutes). Panelists are given 5 minutes to input the rating in the online evaluation form.
