Subject: **SDO PINASLAKAS VACCINATION PROGRAM – SEPTEMBER 16, 2022**

- I. The Department of Health launched a stronger nationwide booster vaccination campaign. Dubbed "PinasLakas," it aims to increase the number of Filipinos who have been given a COVID-19 booster shot, to help maintain the country's wall of immunity. As of July 26, 2022, 15,975,337 Filipinos have been given the first booster shot. Meanwhile, 1,232,816 individuals, mostly belonging to the vulnerable population (healthcare workers, senior citizens, and the immunocompromised), have received their second booster dose (Department of Health, 2022).
- II. Furthermore, as of the time of writing, only 59 or 25.99% of the Schools Division Office (SDO) Personnel have received the booster dose of the COVID-19 vaccine. However, upon a recent assessment done in the SDO, seventy (70) personnel have expressed their interest in receiving the booster dose of the said vaccine.
- III. Given the said, this office issues this memorandum to enjoin all SDO personnel interested and willing to receive their booster dose of the COVID-19 vaccine to attend the "**PINASLAKAS VACCINATION PROGRAM**" to be led by the **Tagbilaran City Health Office**, at the SDO childminding multi-purpose hall **from 8:00 am to 3:00 pm on September 16, 2022**. Those willing to be vaccinated must remember to bring with them a **valid ID and their COVID-19 vaccination card**. Furthermore, all concerned are reminded to observe the required public health standards during the entire course of the activity.
- IV. Working committees to provide support, especially those from the health and nutrition section will be notified accordingly through the Medical Officer and the Division Nurse-in-Charge.
- V. For the information and compliance of all concerned.
