As part of its 85th anniversary celebration, UP GE Club will once again hold the Geoid Quiz and Earthistic Poster Making Contest with the theme **GALACTICA x CHROMATICA**. Geoid Quiz is an annual quiz show introducing the geodetic engineering field and its importance among high school students by testing their skills in mathematics and science. Germane to this, Geoid Quiz 2022 will be held on October 29, 2022, revolving on the topic: **Geodetic Engineering at the Forefront in the Continuous Development of Space Technologies**. Meanwhile, Earthistic is a poster-making contest showcasing the artistry of high school students that helps raise awareness for the environment. This year, Earthistic revolves around the topic: **Exploring Geodetic Engineering Applications Using Space-Based Observations**. The event will officially start on the day the topic is released, October 22, 2022, until October 29, 2022 for the awarding of winners.

The University of the Philippines Geodetic Engineering Club (UP GE Club) is a duly recognized academic organization in the College of Engineering, University of the Philippines Diliman. For more than eight decades, it has actively forwarded its objectives of fostering the development of geodetic engineering and science as well as promoting proficiency, competence, and excellence in this field of study.
