PSAI CV had been organizing annual training, workshops, and webinars conducted by distinguished statisticians in the country. We have invited **Prof. Genelyn Ma. F. It also aims to equip Statistics educators the knowledge in teaching regression analysis.

The seminar-workshop registration fee is Php 6,000.00 inclusive of the training materials and handouts, certificates (for attendance and participation), resource speaker honorarium, and meals (lunch and a.m./p.m. snacks). An early bird rate of Php 5,500.00 is offered for those who can register not later than 05 October 2022. PSAI CV members can participate with a registration fee of Php 5,000.00.
