Regional Director

DepEd Region 7

Dona M. Gaisano St., Sudlon, Lahug, Cebu City

Dear **Dr. Jimenez**:

We humbly present the invitation from the Secretary General of the International Robot Olympiad Committee IROC, based in KAIST South Korea, Mr. Young-Soo Park. The IROC is pleased to invite the Philippine robotics teams to participate in the **24th International Robot Olympiad on 11th-16th of January 2023 in Sapham Him, Phuket, Thailand.**

The International Robot Olympiad is an annual gathering of robotics learners from around the world. It has been providing skills demonstration opportunities for future scientists and young technology developers for over 2 decades. Through the different robotics challenges in the record-based game category, tournament-based category and evaluation-based category, students from different parts of the globe are able to achieve the following:

- 1) Benchmark their skills with learning peers from the international community
- 2) Acquire effective habits and learn the best practices in Science, Technology, Engineering and Mathematics
- 3) Improve their programming abilities, develop resourcefulness in robot building, and further hone their science and investigatory research skills
- 4) Gain confidence to socialize, lead a team, and represent the country in the world stage of robotics, science and technology

The national partner of IROC in the Philippines and the one holding the local training and competitions, working and coordinating with the local school robotics teams and qualifying competitions, and the national delegation organizer is the Data Science and Technology Corporation DSTC. For registration to the 24th IRO, inquiries may be coursed through the DSTC / Philippine Robotics Team email, philippineroboticteam@gmail.com or may also contact 09284353229.

Thank you.
