**MECHANICS:**

The DepEd and Nestlé Wellness Campus Program (the “Program”) is a partnership between the Department of Education (DepEd) and Nestlé Philippines, Inc. (NPI) and will be implemented by Greatfil Team, Inc. (GTI).

The Program will be implemented through the participating DepEd Regional Offices who will appoint the Division Supervisors or other DepEd officials to ensure that the Program will be implemented in

all schools in their respective divisions in both elementary and high school levels. Division Supervisors or those appointed by the DepEd Regional Office will also be the contact persons in their respective divisions.

The S.Y. 2022-2023 Program implementation will give more emphasis on developing the students' and parents' healthier habits through nutrition education, physical activity, good personal hygiene and proper waste management for both elementary and high school students. An exclusive Nestlé Wellness Campus Facebook group for teachers and parents will also be utilized for the inter-school contest and to serve as a platform for sharing their wellness ideas and practices. Wellness-related events such as webinars, cooking demos and Nestlé-sponsored activities will also be conducted in this Facebook group.

The implementation of the Program will be in three (3) parts, as follows:

**Part 1: NUTRITION EDUCATION FOR ELEMENTARY AND HIGH SCHOOL STUDENTS AND ADULTS  
(Teachers and Parents) IN ALL PUBLIC SCHOOLS IN THE SEVEN (7) PARTICIPATING REGIONS.**

1. NPI, through GTI, will provide nutrition, hygiene, SHS modules and solid waste management modules to students as well as adults when appropriate. The students' modules are encouraged to be integrated in the Elementary and High School MAPEH curriculum subject to DepEd rules and regulations. Adult modules will be distributed to parents for them to read and work at home. The adult modules will teach parents and teachers the importance of preparing healthy and balanced meals, proper waste management, good personal hygiene following the seven (7) healthy habits.
2. These modules are aligned with DepEd's MELCs and have been designed primarily for adult-assisted learning at home (Grades 1 to 3) or self-directed learning by the student (Grades 4 to 10).
3. Worksheets and activities are also given which the students and/or parents can read and work together at home or in the classrooms whenever possible.
4. To ensure smooth program implementation, NPI, through GTI, will provide soft copies of the following materials to both division supervisors and MAPEH school coordinators:
  1. Lesson guides
  2. PowerPoint presentation for student and adult modules
  3. Student worksheets
  4. Dancercise video
5. To facilitate faster distribution, they may also download the materials in Google Drive. The link will be provided by NPI through GTI.
6. The use of these materials is flexible. Teachers are encouraged to adapt these materials in whatever learning delivery mode is most appropriate for them.

**Part 2: NESTLÉ WELLNESS CAMPUS DANCERCISE**

1. NPI, through GTI, will provide a soft copy of the Nestle Wellness Campus dancercise music and choreography video to each Division Supervisor in charge of the Program. All schools are encouraged to get a copy of these materials from their respective

supervisors.

2. Teachers are encouraged to use the dancercise during online synchronous sessions. If synchronous sessions are not possible, learners may do the dancercise on their own with their family. If face to face classes are allowed, dancercise may be used as warm up exercise after the flag raising ceremonies and during PE classes.
3. For wider dissemination, the Nestlé Wellness Campus dancercise materials will be uploaded on the Nestlé Wellness Campus Facebook Group.

### **Part 3: NESTLÉ WELLNESS CAMPUS INTER-SCHOOL AND INTER-REGION COMPETITION**
