Dear **Dr. Jimenez**:

Southwestern University PHINMA is requesting for your kind approval to allow us to visit the schools under your office's jurisdiction to invite students, particularly Grade 10 (incoming Grade 11) and Grade 12 (incoming college freshmen) for a brief career talk. This aims to provide students with insights that will guide them in coming up with a more sound choice for their learning journey.

The career talk will be a 15-20 minute conversation about SWU PHINMA's program offerings and how the school provides students a complete pathway towards becoming the best that they can be.

Looking forward to your favorable response, and to our partnership in working together for the betterment of the lives of the future generation.
