“First in Educational Learning Trend Always”

Dr. Salustiano T. Jimenez EdD, JD, CESO V
Regional Director
DepEd Region VII
Sudlon, Lahug, Cebu City

Thru: Dr. Bryant C. Acar
Region VII EPS - Science

Dear Dr. Jimenez;

Greetings from FELTA MULTI-MEDIA INC.

We are now preparing for the **12th FIRST® LEGO League Philippines** - guides youth through STEM learning and exploration at an early age. From Discover, to Explore, and then to Challenge, students will understand the basics of STEM would like to invite your school in this exciting hands-on learning experience.

Participants gain real-world problem-solving experience through a guided, global robotics program, helping today's students and teachers build a better future together. FIRST LEGO League's three age-appropriate divisions inspire youth to experiment and grow their critical thinking, coding, and design skills through hands-on STEM learning and robotics centered around a yearly theme.

FLL Categories:

FLL Explore (ages 6 –10, 6 members + 2 coaches)

FLL Challenge (ages 9-16, 2-10 members + 2 coaches)

In the SUPERPOWEREDSM challenge, FIRST LEGO League teams will explore where energy comes from and how it is distributed, stored, and used – and then put their Superpowered creativity to work to innovate for a better energy future. Children will learn about different types of energysources, storage, distribution methods, and waysin which energy is consumed.

All **FIRST**® programs are built on a foundation of Core Values, celebrating discovery, impact, inclusion, innovation, teamwork, and fun. They will help guide your team through their journey and show what fun it can be to work together.

In this light, we are inviting **DepEd Region VII** to join in the **FLL Philippines 2022-2023** with a theme "**Super Powered**" on February 10-11, 2023, 7:00am-5:00pm at **4F SM North EDSA Cyberzone, Quezon City**. Attached is the DepEd Advisory for the FIRST LEGO League Philippines 2023. For more details, please visit [First Lego League Philippines | Felta Multi-Media Inc.](#)

The **FIRST LEGO LEAGUE WORLD CHAMPIONSHIP 2022-2023** will be held in Houston, Texas USA on April 19-22, 2023 and **FIRST LEGO LEAGUE EUROPEAN OPEN INVITATIONAL** is on May 14-22, 2023 in Casablanca, Morocco.

For more details, you may contact Ms. Coni Inocencio-Peralta/Ms. Donna Cris Ermitanio at telephone nos. 8912-1397/438-3841 for more information.

Very truly yours,

Mylene Abiva
