Regional Director IV
DepEd Region VII; Sudlon Street Lahug Cebu City

RE: ALL SCHOOLS TEACHER COACH, TRAINERS & ATHLETES
Invitation - DanceSport Dance Camp, Bohol February 11 & 12, 2023

Dear Director Jimenez:

Greetings!

Dancesport is the newest sport among the rest and is a very popular crowd drawer in most sporting events such as SEAGames, Asian Indoor Games, International Children's Games, Asian University Games and now in the Olympic Games. The Philippines is one country within the ASEAN region that is a powerhouse when it comes to this sport, for example, during the 2019 SEAGames we bagged 10 of the 12 golds available. This came from our 4 couple representatives in 2 disciplines (Latin-American and Modern Standard). It is noted, that 2 couple are also representatives from the provinces of Visayas. With this in mind, we feel, it is high time to give value to sports, such as DanceSport, where Filipinos can excel especially as minimal equipment is required to train.

Among the Central Visayas area, Bohol is one that is considered a goldmine of Dancesport talent as it previously produced Champions in both the Palarong Pambansa and the National Championships. This was many years ago and so we are keen to continue what was previously started. We have plans to make projects in Bohol Province, in order to train Dancesport Coaches and Competitors from DepEd and Ched. We would also encourage any local Teachers/Coaches to join, particularly as Tagbilaran, the capital of the province of Bohol, has a number of DanceSport enthusiasts.

In view, the Philippine DanceSport Federation Academy, with the Philippine Sports Commission would like to **request from your good office to have an official Memorandum/ Advisory** for them to invite and send delegation of dancesport coaches and competitors, technical officiating officials, beginners, intermediate, advance and competitive ballroom and dancesport athletes to attend this accredited training/seminar, to represent their school or university to participate in this momentous event in Bohol.

We have prepared plans for the Visayas region in a step by step process to ensure that we can produce the cream of the crop talents of Bohol.
