Dr. Salustiano T. Jimenez  
Regional Director  
Department of Education-Region VII  
Sudlon, Lahug, Cebu City

Dear Director Jimenez:

We are excited to announce that the **Philippine Science High School - Main Campus** will be holding its **26th Youth Mathematics, Science, and Technology (YMSAT) Festival** on **February 27 to March 3, 2023**. The theme of this year's festival is, "*Sapat Dapat: Siyensya, Agrikultura, Pananaliksik, at Teknolohiya para sa bayang malusog, ligtas, at masagana*". This year's theme celebrates the International Year of Millets which highlights the importance of science and technology in addressing food security amidst climate and public health concerns.

The second day of the festival (February 28), especially dedicated to **guest teachers and students**, consists of virtual talks, workshops, and competitions. These events aim to

- raise awareness of society's pressing issues on climate change, food security, and public health,
- equip and enhance teachers with STEM-skills that will help them navigate global STEM-related challenges,
- and provide an opportunity for students to showcase their knowledge, creativity, and innovations.

One of the activities that the students can participate in is the **Tagisan ng Mathitnik**, which is open to **Grades 5 to 6 students**. Attached is the invitation letter for your perusal.

We would be grateful if your office could encourage participation of students and teachers by **issuing an advisory and promoting it in your region**. Registration and admission to all activities of the festival are complimentary. If interested, more information is available on our official Facebook page (<https://www.facebook.com/ymsat2023/>) or the participants can email us at [ymsat2023@pshs.edu.ph](mailto:ymsat2023@pshs.edu.ph).

Thank you very much for considering our request and we hope to see your teachers and students at the festival. We are looking forward to your favorable response.

Sincerely,  
  
**Jericca Gunda**  
26th YMSAT co-chair

10 January 2023

**SUBJECT:** Tagisan ng Mathitnik 2023 Invitation

Dear Ma'am/Sir:

Warm greetings from the Tagisan ng Mathitnik 2023 Organizing Committee!

Tagisan ng Mathitnik 2023 is a mathematics competition free of charge for Grades 5 to 6 students conducted during the Philippine Science High School – Main Campus's (PSHS-MC) annual Youth Mathematics, Science, and Technology (YMSAT) Festival. This event is headed by senior students in collaboration with the school's Mathematics Faculty Unit.

In line with this, we would like to invite students from your school to join this competition which will be held online via Zoom and Google Classroom on **February 28, 2023** from **8:00 AM to 5:00 PM**. Each school may send up to two teams with three members and one alternate each. For more details, you may view the primer attached to this email or access it through <https://bit.ly/Tagisan2023Primer>.

Your school's interest and participation in this event will be greatly appreciated. Additionally, Tagisan ng Mathitnik is an opportunity to foster your students' skills in the field of Mathematics and have a glimpse of PSHS-MC.

To signify your interest and participation, please fill up the registration form (<https://bit.ly/Tagisan2023RegistrationForm>) by **February 7, 2023**. Please take note that registration is on a first come first served basis. If you have any queries or concerns, please do not hesitate to reply to this message and we will get back to you as soon as possible.

Thank you! We are looking forward to seeing your school at Tagisan ng Mathitnik 2023.

Best regards,

**Ethan Anilov Norcio**

Organizing Committee Heads, Tagisan ng Mathitnik 2023
