CONDUCT OF VISIT TO SCHOOL CHILD PROTECTION COMMITTEES

To: Schools Division Superintendents
Division Lawyers
ESSD/Child Protection Unit
SGOD/Child Protection Unit

1. Pursuant to DepEd Order No. 40, s. of 2012, all Public and Private Elementary Schools shall establish a Child Protection Committee (CPC) to perform such functions as stated in the attached Memorandum dated March 14, 2023 from Usec. Revsee Escobedo.
2. Further, by virtue of DepEd Order No. 3, s. 2021, the Learners Rights and Protection Office (LRPO) was created to establish mechanisms to fully operationalize, implement, and coordinate programs, projects, and activities pertaining to child protection. Thus, the LRPO through the CPC Functionality Support Unit, shall conduct visits to school CPCs across the country starting in 2023.
3. For details, refer to the attached Memorandum.
4. Immediate dissemination of and compliance with this Memorandum is desired.

OUOPS No. 2023-__-____
MEMORANDUM

TO : **All Regional Directors**
All Schools Division Superintendents
All others concerned

FROM : 
ATTY. REVSEE A. ESCOBEDO
Undersecretary for Operations

FRANCIS CESAR B. BRINGAS
Assistant Secretary for Operations

SUBJECT : **Conduct of Visit to School Child Protection Committees**

DATE : March 14, 2023

Pursuant to DepEd Order No. 40, series of 2012, all public and private elementary schools shall establish a Child Protection Committee (CPC) to perform the following functions:

1. Draft a school child protection policy with a code of conduct and a plan to ensure child protection and safety, which shall be reviewed every three (3) years;
2. Initiate information dissemination programs and organize activities for the protection of children from abuse, exploitation, violence, discrimination and bullying or peer abuse;
3. Develop and implement a school-based referral and monitoring system;
4. Establish a system for identifying students who may be suffering from significant harm based on any physical, emotional or behavioral signs;
5. Identify, refer, and, if appropriate, report to the appropriate offices cases involving child abuse, exploitation, violence, discrimination and bullying;
6. Give assistance to parents or guardians, whenever necessary in securing expert guidance counseling from the appropriate offices or institutions;
7. Coordinate closely with the Women and Children Protection Desks of the Philippine National Police (PNP), the Local Social Welfare and Development Office (LSWDO), other government agencies, and non-governmental organizations (NGOs), as may be appropriate;

8. Monitor the implementation of positive measures and effective procedures in providing the necessary support for the child and for those who care for the child; and
9. Ensure that the children's right to be heard are respected and upheld in all matters and procedures affecting their welfare.

Further, by virtue of DepEd Order No. 3, series of 2021, the Learner Rights and Protection Office (LRPO), formerly the Child Protection Unit, was created to establish mechanisms to fully operationalize, implement, and coordinate programs, projects, and activities pertaining to child protection. Further, the LRPO is mandated to ensure the establishment and functionality of the CPCs in schools.

Thus, the LRPO, through the CPC Functionality Support Unit, shall conduct visits to school CPCs across the country starting in 2023. The visits aim to assess the functionality of the CPCs in the following areas:

1. Organization and Coordination
2. Policies and Guidelines
3. Capacities and Resources
4. Service Delivery
5. Accountability and Performance

The schools to be visited in 2023 shall be determined by random sampling, wherein the number of schools visited per Schools Division Office (SDO) shall be proportional to the number of schools in the SDO against the total number of schools in the country. Further, the school visits shall not be a cause for disruption of classes.

Enclosed is the draft CPC Functionality Assessment tool for your reference.

For concerns, clarifications, and further information, you may contact **Atty. Suzette T. Gannaban-Medina**, OIC-Director III of LRPO, at (+632) 8632-1372 or at suzette.medina@deped.gov.ph.

For your guidance.

Thank you very much.

Republic of the Philippines

OFFICE OF THE UNDERSECRETARY FOR OPERATIONS

ENCLOSURE
CPC Functionality Tool

The Child Protection Committee (CPC) Functionality Tool is a set of indicators to measure the level of functionality of CPCs in schools. These indicators were culled from the functions of the CPCs as stipulated in Department Order 40, and from the Child Protection Policy Implementation checklist of the Department of Education (DepEd). The findings and recommendations of the study conducted by Social Watch, including the FGDs with school stakeholders and the children's consultations, also informed the finalization of the indicators.

Functions of the CPC:

1. Draft a school child protection policy with a code of conduct and a plan to ensure child protection and safety, which shall be reviewed every 3 years;
2. Initiate information dissemination programs and organize activities for the protection of children from abuse, exploitation, violence, discrimination, and bullying or peer abuse;
3. Develop and implement a school-based referral and monitoring system;
4. Establish a system for identifying students who may be suffering from significant harm based on any physical, emotional or behavioral signs;
5. Identify, refer, and report to the appropriate offices cases involving child abuse, exploitation, violence, discrimination and bullying;
6. Give assistance to parents or guardians in securing expert guidance counseling from the appropriate offices or institutions;
7. Coordinate closely with the Women and Children Protection Division of the Philippine National Police (WCPD-PNP), the Local Social Welfare and Development Office (LSWDO), other government agencies, and NGOs;
8. Monitor the implementation of positive measures and effective procedures in providing the necessary support for the child and for those who care for the child; and
9. Ensure that the children's right to be heard are respected and upheld in all matters and procedures affecting their welfare.

Republic of the Philippines
Department of Education

OFFICE OF THE UNDERSECRETARY FOR OPERATIONS

The Functionality Tool aims to strengthen the child protection committees with the following specific objectives:

- a) Provide concrete indicators to measure the functionality of the CPC in schools.
- b) Capture the specific status of the CPCs in five areas of work
- c) Serve as basis and direction for the assistance from the DepEd Central Office to the Regional and Division offices.

There are five indicators that represent broad work areas of a CPC. Each indicator has specific sub-indicators:

1. Organization & Coordination

- a) Establishment or Reorganization of CPC
- b) Coordination Mechanism

2. Policies & Guidelines:

- a) Child Protection policy & operational guidelines

3. Capacities and Resources

- a) Orientation/Capacity building activities for the CPC
- b) Budget allocation for CPC operations and its financial sustainability

4. Service Delivery

- a) Prevention programs (Information dissemination and other promotional activities on child protection)
- b) Existence of quick response system for child protection
- c) Referral system, case management, and monitoring and documentation of cases
- d) Proactive identification and reporting of VAC cases (Early detection)

5. Accountability and Performance

- a) Availability and accessibility of statistical report on cases handled
- b) Child participation in CPC planning, implementation and evaluation (refer to child friendly tool)

Republic of the Philippines
Department of Education

OFFICE OF THE UNDERSECRETARY FOR OPERATIONS

c) CPC Monitoring and evaluation

The CPCs are assessed based on these work areas and are given corresponding scores according to level of functionality:

1. Not yet in place
2. Planning stage
3. Early stages of development
4. Partially functional
5. Fully functional

Scoring Method

The CPC will discuss and assess each indicator and sub-indicator and agree on the score ranging from 1 to 5. A score of 1 means the sub-indicator is Not yet in Place (or is absent); 2 means the sub-indicator is still in the planning stage; 3 means the sub-indicator is in the Early Stages of Development; 4 means, partially functional; and 5 means fully functional.

To help guide the committee in assessing and rating their performance, there are verification measures in each score per sub-indicator. The score will be determined if all verification measures have been ticked. A higher score or rate can be obtained if the verification measures at the lower score or rate are complete. For example, a CPC can rate itself 3 if there are verification measures under this score that are present and if all the verification measures under the scores 1 and 2 are present or have been accomplished.

The rating for each main indicator is the average of the scores of the sub-indicators. While the overall rating will be the sum of the scores for each main indicator. The highest rating is 25, where each main indicator will have a rating of 5 while the lowest rating is 5, where each indicator will have a rating of 1.

The scoring system is also designed to help the CPC improve its functionality. For example, while a score is generated for the main indicator, the sub-indicators status will show in which areas the committee is weak and which areas it is strong.

Republic of the Philippines
Department of Education

OFFICE OF THE UNDERSECRETARY FOR OPERATIONS

The scores will be based on the verification measures and the accompanying documents that will help describe the status of the sub-indicators. The accompanying documents are required to show proof of accomplishment which provides clear bases of the scores. The functionality tool and the accompanying documents will be reviewed by the Division Office as part of its CPC assessment and monitoring functions.

NOTE: It is important to remind the CPC members that an increase in the number of reports or cases indicates trust and confidence in the reporting and referral system of the CPC. Schools with high reported cases should not be discriminated against and ostracized. Instead, prevention measures can be strengthened in collaboration with the LGU. Meanwhile, its functional reporting and referral system can be documented as a community of practice and for possible replication in other schools.
