SUBJECT:

Teacher Support Workshop (Round 5) for the Edtech Solutions for Last Mile Schools in COVID-19 Project

DATE:

May 9, 2023

This pertains to the EdTech Solutions for Last Mile Schools (LMS) in COVID-19, a grant project assisted by the Asian Development Bank.s. The project aims to support the operationalization of the Basic Education Learning Continuity Plan by providing access to facilities and resources that will enable students to continue learning

Project Management Service

through distance education amidst the COVID-19 pandemic. It also covers the provision of capacity building and learning resources for schools and teachers to aid them in teaching delivery under technology-enabled blended learning modalities.

With the conclusion of the fourth round of the Teacher Support Workshop series and field visits, the DepEd Central Office and Technical Assistance Team of the project express their gratitude to the recipient schools division offices (SDOs) namely, Abra, Kalinga, Bohol, and Zamboanga Sibugay and their selected LMSs which actively participated in the said activities.

Through this undertaking, teachers and Information and Communications Technology (ICT) coordinators of the treatment schools were oriented on the use of Moodle and EdTech infrastructure, and were demonstrated on how the Digitalized Learning Materials (DLMs) can be integrated in the classrooms under the face-to-face learning, for instance, on how to upload and make the learning materials available in the Moodle environment. Moreover, upgrade on EdTech infrastructure and hands-on training on the new set of newly-installed hardware and software were also administered.

As the results of the fourth round of orientation activities were encouraging, another round of teacher support workshops will be initiated this May to June 2023 in the recipient SDOs. The activities will focus on using the DLMs for a learner-centered classroom approach and for introducing how teachers can create their own courses in Moodle.

The expected participants for each workshop are the following:

1. SDO Personnel (sharing of SDO-wide experiences and observation of the workshops);
2. SDO Information and Technology Officer;
3. SDO Education Program Supervisors for English, Mathematics, and Science;
4. School Heads of the identified schools;
5. ICT Coordinators of the identified schools; and
6. Grade 7-10 English, Mathematics, and Science teachers of the identified schools.

Attachment 1 details the indicative schedule of activities along with the list of expected participants and reminders for the workshop proper.

Transportation and incidental costs incurred by the SDO or schools shall be charged against the respective local funds of the SDOs, subject to existing guidelines.

For queries or clarification, please contact this Office (pms.pmd@deped.gov.ph), Attention: Mr. Jun Rusell Aquino (jun.aquino@deped.gov.ph) or Ms. Kathlyn Nica Vidanes (kathlyn.vidanes@deped.gov.ph) at telephone number, (02) 8631-2579.

Thank you.

Indicative Schedule for the 5th Round of Teacher Support Workshops
EdTech Solutions for Last Mile Schools in COVID-19

Reminders for the attendees:

1. The SDO shall provide a room which has data projection facilities where the workshop with the Information Technology Officers and Education Program Specialists will be conducted.
2. The attendees are required to bring their own laptop or personal computer.
3. For its part, schools need to ensure that there is a single laptop or desktop for every two participants that can access the Wi-Fi LAN.
4. Since Wireless Network adapter are nonexistent to some desktop units, it is recommended to bring along a Wi-Fi dongle for connectivity.
5. It is also suggested for the laptops or personal computers to have a *Google Chrome* browser installed instead of *Internet Explorer* for more ease in *Moodle* navigation.
