MCR/SMMA/APA/MPC. DO Guidelines on the Utilization of PSF for SPED
0237 - August 17/18, 2021

GUIDELINES ON THE UTILIZATION OF SUPPORT FUNDS FOR SPECIAL EDUCATION (SPED) PROGRAM

I. Rationale

- 1.1 The Convention on the Rights of the Child (CRC) and the Convention on the Rights of Persons with Disabilities (CRPD), to which the Philippines is a signatory, both clearly express the aim of guaranteeing quality education for all by providing the required holistic support to develop each child's potential. Quality education can only be achieved when every child, including the learners with disabilities/difficulties are in school, and are receiving learning required for life.
- 1.2 The Department of Education (DepEd) through the Bureau of Learning Delivery-Student Inclusion Division (BLD-SID) seeks to address the significant challenges in Special Education through:
 - 1.2.1 Providing intervention by ensuring learners with disabilities/difficulties have access to suitable service/s towards their inclusion in the general education classes;
 - 1.2.2 Removing barriers to learning by embedding inclusive practices in all schools;
 - 1.2.3 Raising expectations and achievement by developing teaching skills and strategies focusing on progress learners make; and
 - 1.2.4 Strengthening collaboration and linkages with parents and the community.
- 1.3 These efforts to provide access to quality and equitable basic education for learners with disabilities (LWDs) require that schools be equipped with additional resources to address their unique educational needs. It is for this reason that schools shall be provided with program support funds.

II. Scope

These guidelines shall provide the rules for the release, allocation, utilization, and liquidation/reporting of the SPED PSF for public elementary and secondary schools offering SPED Program, as well as for the Regional Offices and Schools Division Offices, except for the Bangsamoro Autonomous Region of Muslim Mindanao (BARMM). Consistent with the Basic Education Learning Continuity Plan as stipulated in DepEd Order No. 012, s. 2020, the PSF may be utilized for any of the distance learning delivery modalities, including modular distance learning, online distance learning, blended learning, TV/radio-based instruction, and homeschooling starting FY 2021.

III. Definition of Terms

Learners with Difficulty - learners who manifest difficulties in particular activities (e.g., cognitive, communication, mobility, hearing, seeing, etc.) required for daily lessons, as determined through observation and/or informal assessments, and who have not undergone a medical assessment conducted by a licensed medical specialist. The difficulties must be manifested to such extent that the learners "require modification of school practices, or special educational services to develop to maximum capacity" (Education Act of 1982).

Learners with Disability - learners who have long-term physical, mental, intellectual or sensory impairments as diagnosed by licensed professionals like Psychologists, Psychometricians, and Medical Specialists.

Self-contained SPED class - refers to a class, where a special education teacher is responsible for the instruction of all subjects of a learner with disability/difficulty. The class is typically separated from general education classes but is still implemented within a school.

IV. Policy Statement

DepEd issues these guidelines to guide implementers on the proper utilization of the SPED program support fund. The program support funds are given to schools to enable them to provide learners with disabilities with the appropriate and relevant educational opportunities that suit their needs and interests, and that will be able to prepare them for an independent and productive life.

- 4.1 To strengthen the program implementation of SPED, support for funding shall be provided for to sustain the delivery of appropriate and quality educational services.
- 4.2 Special Education Program supports inclusion of learners with disabilities/difficulties into the general education to equip them with skills to be independent and lead a productive life.
- 4.3 The SPED Program Fund is judiciously used for relevant expenditures to achieve the program's desired objectives.
