MECHANICS

Presentation	Booth	Judges/Assessors
<p>1. Focus on the four questions.</p> <p>a.) Where were we before?</p> <p>b.) Where are we now?</p> <p>c.) How did we do it?</p> <p>d.) Where do we go from here?</p>	<p>1. One booth per project.</p>	<p>Breakout Rooms, Booth arrangement and dry run shall be taken care by the assigned coaches</p>
<p>2. Presenter must be the principal/ school head of the school</p>	<p>2. Display of unnecessary materials is discouraged. Put only the materials used during the project implementation and other basic data about the project.</p>	<p>Select one best presenter and booth each CD and one best for the division.</p>
<p>3. It's a 7-minute presentation using two screens to maximize presenting all relevant data about the project.</p>	<p>3. Aesthetics is basic but no crowding, beautiful yet simple.</p>	<p>3. The chosen CI project shall be based on objective deliberation by the team. How the four questions are answered with supporting data are best indicators to influence the team's decision.</p>
<p>4. Follow the 7X7 standards in the slide decks, Times New Roman font, black font-color, white background.</p> <p>5. A school with no accepted SIP shall be allowed to present but must have the SIP accepted by the SDS before the Division symposium.</p>	<p>4. The Taong-Bahay" is preferably the process owner who can elaborate answers to questions.</p> <p>5. An A3 file of the project or pamphlet/brochure shall be one of the things in the booth.</p>	<p>4. Be sensitive of CI projects made for compliance from a project made of competence, integrity, and due diligence.</p> <p>5. CI learning insights are good inputs about the team and the project.</p>
		<p>Chosen best Division CI project shall represent the division to the region OPI search in CI.</p>
