Regional Director
Department of Education - Regional Office VII
DepEd Regional Office VII, Sudlon, Lahug, Cebu City

Dear Dir. Jimenez:

Greetings of good health!

PhilHealth Regional Office (PRO) VII is grateful for DepEd's partnership and support in the past years, particularly in the roll out of the PhilHealth Learners' Material (PLM) in 2017 and 2018, and the participation of various Schools Divisions here in Central Visayas to the PhilHealth National Quiz Bee in 2019.

As we respond to the mandates of the Universal Health Care (UHC) Act, PhilHealth Head Office has updated the PLM, which consists of basic principles behind the National Health Insurance Program (NHIP), to include the salient points of UHC to develop knowledge on the importance of social health insurance, and to encourage students to become young advocates of the program.

To launch the revised PLM, PhilHealth is organizing a reel-making competition to be participated in by Grade 8 students nationwide with the goal of raising awareness on UHC and to further motivate Filipinos' participation in the NHIP. This activity is in consonance with the inclusion of the NHIP in Grade 8 curriculum under the topic "Health Information, Products, Services, and Providers" which was previously covered in Grade 10.

As such, PRO VII is reaching out once again to your reputable institution to support PhilHealth in this endeavor. Please expect a personnel from our Public Affairs Unit to coordinate with your office.

Attached is a copy of PhilHealth President and CEO Emmanuel R. Ledesma, Jr. to Vice President and DepEd Secretary Sara Z. Duterte regarding the above-mentioned competition.

Sincerely,

MARJORIE A. CABRIETO

JOCELYN DR ANDAYA
Director IV, Bureau of Curriculum Development

Dear VP Duterte,

Greetings of good health!

The Philippine Health Insurance Corporation (PhilHealth) through the Social Health Insurance Academy (SHIA) has updated the PhilHealth Learners' Material (PLM) to include the provisions of the Universal Health Care (UHC) Act of 2019. Based on the letter sent to us by the Bureau of Curriculum Development on July 27 2023, a comprehensive review was conducted and certain revision to be implemented is the repositioning of the topic "Health Information, Products, Services and Providers". This topic was previously covered in Grade 10, but due to the recommendations derived from the review, it has now been shifted to Grade 8.

In this regard, we would like to propose an amendment to our Memorandum of Agreement (MOA) signed on July 09, 2018, to reflect the change in the curriculum. Please find the attached draft copy of the MOA for your review and comment.

Further, to launch the revised PLM, we are organizing a reel-making competition entitled "#Nag 4MKNB?" to be participated in by Grade 8 students nationwide. This will help raise awareness on the UHC and encourage active participation in the National Health Insurance Program (NHIP).

In view of the foregoing, we would like to seek your assistance to encourage participation from different schools nationwide through your respective regional and district offices. The winners will be awarded in time for our 29th Anniversary Celebration in February 2024.

Attached to this letter are the following documents for your reference:

- a. Draft amended MOA
- b. Copy of signed MOA in 2018
- c. Copy of updated PLM
- d. Copy of contest details and mechanics for reference.
