Greetings!

The Philippine Red Cross is a humanitarian organization auxiliary to the Philippine Government mandated to undertake plans, programs and services in the Humanitarian field and to assist the authorities in discharging the obligations set forth by the Geneva Conventions.

For so many years, the Philippine Red Cross - Bohol Chapter has proven as a strong partner of the Local Government and communities including school institutions in alleviating human suffering especially to those who are victims of natural and man-made disasters. In times of peace, the Red Cross promotes and conducts various services like, blood programs, safety services training, health and social services training, disaster management training, and youth development. These were made possible through the unceasing support of the people who firmly believed in the humanitarian mission of the organization.

A brochure is attached herewith for further details.

The Philippine Red Cross-Bohol Chapter will give back an incentive to the school who contributed to the abovementioned legal contribution.
