Subject: Teacher Demonstration during the Division Training of Trainers on
MATATAG Curriculum

In view of the conduct of the Division Training of Teachers and School Leaders on MATATAG Curriculum (DTotT) held on April 15-19, 2024 at JJ's Seafood Village and Restaurant, Tagbilaran City for English, Araling Panlipunan and Filipino subjects, upon the recommendation of the respective learning facilitators, this office hereby designates you as the teacher demonstrators of the corresponding subject you are participating in this training.

As teacher demonstrators, you are expected to follow the prescribed guidelines and formats of the new MATATAG Curriculum specifically in the crafting of the learning plan and ensure alignment of the activities and the learning competencies identified in a certain quarter from the Curriculum Guide.

Your compliance to this academic endeavor is pivotal to determine the grey areas in the teaching and learning process for appropriate intervention and technical assistance from the concerned instructional providers. Furthermore, this demonstration activity wraps the entire journey of this training as you model how an instructional plan is designed as well as the delivery in a MATATAG way with the end view of providing the participants a clear scenario of the teaching and learning process with clear application and integration of the key principles, domains, concepts and facets of the new curriculum.

For your guidance!
