**RE: SCA ACCOMPLISHMENT REPORT AND PERMISSION TO CONTINUE  
THE SCA OPERATIONS**

Dear Dr. Caberte;

Greetings from the office of the young!

We would like to express our deepest gratitude for the unwavering support and collaboration your office has extended to us though allowing the Diocesan Commission on Youth of the Diocese of Tagbilaran to organize and give programs, leadership trainings and formations to Student Catholic Action (SCA) affiliated schools from the previous Academic Year 2023-2024. It has been a fruitful year of operation of the Campus Ministry-Student Catholic Action. It is with great joy that we inform your office once again of our accomplishments rendered to the units (schools) for the Academic Year 2023-2024.

Moreover, we are glad to inform your office that the Student Catholic Action of the Philippines (SCAP) worked closely and collaboratively with the Episcopal Commission on Youth (ECY) of the Catholic Bishops' Conference of the Philippines (CBCP) in the Catholic Youth ministry. It is also a founding member of the Federation of National Youth Organizations (FNYO); a body composed of different national youth organizations in the country and affiliated in the Catholic youth ministry structure of the CBCP-ECY and is registered in Youth Organization Registration Program of National Youth Commission. The Catholic Education Association of the Philippines (CEAP) is very pleased to endorse SCA and is committed to give them full support.

As another academic year starts, we would like to take this opportunity to ask for your support once again, to allow the Campus Ministry to continue the operations in the active SCA affiliated units, to re-organize and to organize SCA to other public secondary schools within the Diocese of Tagbilaran. Furthermore, may your office also grant the following:

- Endorsement letter to schools we wish to organize and re-organize SCA (*please see attachment*)
- Certification to continue SCA operations in the units subject to the protocol of each school and approval of the school principal

Let us work together to provide a holistic approach in the service for the students, one that integrates faith with the development of their intellectual abilities while also fostering strong Christian values. Rest assured that by giving a place for Campus Ministry through Student Catholic Action, we will help bring the vision and mission of your schools to life.

Meanwhile, the Campus Ministry in the diocese functions through the Student Catholic Action, **we inform that our office welcomes invitations from other public secondary schools to facilitate recollections/retreats to graduating students.** This is in response of extending our services to non-SCA members whom we believe are also in need of spiritual formation and recollections. Moreover, the units or schools may ask for assistance from nearby parishes for other resources such as venue, man-power and logistic supports.

Please see the attached files of the list of services rendered to units, status of units in SCA involvement, calendar of activities for SCA programs and formations, and so with the certifications from the YORP, CEAP and FNYO.

Thank you so much and we are hoping for your favorable response.

May God bless us in all our endeavors!

In His Service,
