Ma'am:

Warmest Greetings from IDEA Philippines this Christmas season!

It's Christmas season once again – which means that IDEA Philippines will host the annual gift-making activity for all of the program's deaf student-beneficiaries. IDEA has been doing this tradition for the past four decades. For this year's Christmas shopping, IDEA US executive director will be joining them as they carefully pick the gifts for the students. We are blessed that we can still provide the pupils this much awaited activity. They will surely be pleased and it will show how well-cared-for they are. As part of the partnership we have with DEPED, it has been customary that the SNED teachers are the ones tasked to do the shopping of gifts for their respective learners.

In line with this, we would like to most respectfully request for your permission to allow the SNED teachers handling classes for the Deaf in the different SPED Centers here in Bohol to shop for gifts at Island City Mall, Tagbilaran City on the following date:

December 6, 2024 - For Loon, Sagbayan, Jagna and Talibon SNED Centers

Although the activity will entail their nonattendance in school, it is still for the benefit of their learners, making sure that each one receives something special especially in this season of Christmas. IDEA Philippines will shoulder the teacher's expenses for travel including meals for lunch and dinner. Below are the concerned teachers:

2. *Estrella Ramada*
