Director IV

SUBJECT : **CONDUCT OF STARLINK EQUIPMENT INSTALLATION UNDER
THE ADB'S KSTA: EDTECH SOLUTIONS FOR LAST MILE
SCHOOLS IN COVID-19 PROJECT**

DATE : November 28, 2024

This is to inform your Office that the installation of Starlink equipment will be conducted as part of the extension of the EdTech Solutions for Last Mile Schools (LMS) in COVID-19 Project in identified secondary schools in the Schools Division Office (SDO) of Bohol scheduled on **December 9-13, 2024**.

In reference to MEMORANDUM OUF-2024-0750 dated 18 September 2024, which requested clearance to conduct site surveys in the recipient schools, the contractors from Data Lake are now set to proceed with the installation of the equipment. Following the meeting on 27 November 2024, the contractors have requested assistance for both the safekeeping of the equipment upon delivery and the facilitation of its installation.

The project was conceptualized in 2020 to build the capacity of the Department in facilitating distance education by developing digitized learning materials, providing training to teachers on EdTech, and piloting EdTech solutions and infrastructure to ensure that the learners have access to quality education. In addition, the ADB approved the extension of the project until September 2025 which focuses on strengthening EdTech interventions, including the installation of Starlink network equipment.

The installation will be facilitated by Data Lake, with two (2) teams deployed to the recipient LMS to install the Starlink equipment. The installation will include the Starlink terminal, data cabinet, access points, and cable layout:

1. **Calabacita National High School**
2. **Cambansag High School**
3. **Danahaw Integrated School (IS)**
4. **San Jose IS**
5. **Sto. Rosario IS**

In light of this, endorsement of the said activity in the aforementioned schools and necessary logistical arrangements and assistance are being requested for smooth implementation. Further, the final itinerary as submitted and agreed from the most recent coordination meeting is included in this memorandum.

For any concern and additional information, your staff may coordinate with the Project Management Service – Project Management Division through email: pms.pmd@deped.gov.ph or tel. no. (02) 8631-8380, Attention: Ms. Sherry Mae M. Gonzales (sherry.gonzales@deped.gov.ph) or Ms. Andrea Louise C. Seguin (andrea.seguin@deped.gov.ph).

Thank you for your continued support and assistance.
